1. Introduction

The Crossings Community Development District (the "District" or "CDD") is located north of Jones Road, east and west of Wetlands Place and Gerry Court. The District is located within unincorporated Osceola County, Florida. The District currently contains approximately 142.01 acres and is expected to consist of 614 residential lots of various sizes for single-family with recreation/amenity areas, parks, and associated infrastructure for the development.

The CDD was established under County Ordinance No. 2022-04, which was approved by the County Commission on January 10, 2022. The District will own and operate the public roadways, utility systems, and stormwater management facilities, as well as the landscape, irrigation, signage, and recreational facilities within the development.

The Master Developer ("Developer") is Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes based in Lakeland, Florida. The development is approved as a Planned Development (PD) for residential units and is divided into two (2) phases. A land use summary is presented in Table 1.1.

Public improvements and facilities financed, acquired, and/or constructed by the District will be designed and constructed to conform to regulatory criteria from the city, county, South Florida Water Management District (SFWMD), and other applicable agencies with regulatory jurisdiction over the development, an overall estimate of the probable cost of the public improvements are provided in Exhibit 7 of this report.

The Capital Improvement Plan (CIP) or this Engineer’s Report reflects the present intentions of the District and the landowners. It should be noted that the location of the proposed facilities and improvements may be adjusted during the final design, permitting, and implementation phases. It should also be noted that these modifications are not expected to diminish the benefits to the property within the District. The District reserves the right to make reasonable adjustments to the development plan to meet applicable regulatory requirements of agencies with jurisdiction over the development while maintaining a comparable level of benefits to the lands served by the improvements. Changes and modifications are expected as changes in regulatory criteria are implemented.

Implementation of any proposed facilities or improvements outlined in this report requires written approval from the District's Board of Supervisors. Estimated costs outlined in this report are based on the best available information, which includes, but is not limited to previous experience with similar projects. Actual costs could be different than estimates because final engineering and specific field conditions may affect construction costs.

All roadway improvements including sidewalks in the right-of-way and storm drainage collection systems (from the curb inlets to their connection to the stormwater ponds) within the development will be maintained by the county. Water distribution and wastewater collection systems (gravity lines, force mains, and lift stations) will be dedicated to City of St. Cloud for ownership and maintenance upon completion.

2. Purpose and Scope

The purpose of this report is to provide engineering support for the funding of the proposed improvements within the District. This report will identify the proposed public infrastructure to be constructed or acquired by the District along with an Opinion of Probable Construction Costs. The District will finance, construct, acquire, operate, and maintain all or specific portions of the proposed public infrastructure.

The predominant portion of this report provides descriptions of the proposed public infrastructure improvements, determination of estimated probable construction costs, and the corresponding benefits associated with the implementation of the described improvements. Detailed site construction plans and specifications have not yet been completed and permitted for the improvements described herein. The engineer has considered and in specific instances has relied upon the information and documentation prepared or supplied by others to prepare this Engineer's Report.

3. The Development

The development will consist of a total of 614 residential units and associated infrastructure. The development is a planned residential community consisting of 142.01 acres north of Jones Road, east and west of Wetlands Place and Gerry Court. The District is located within unincorporated Osceola County. The land uses and zoning for the development are LDR (low density residential). The development will be constructed in two (2) phases.

4. Capital Improvements

The CIP consists of public infrastructure in the development. The primary portions of the CIP will provide for stormwater pond construction, roadways built to an urban roadway typical section, water, and sewer infrastructure including a lift station, and off-site improvements (including turn lanes and extension of water and sewer mains to serve the development).

There will also be stormwater structures and conveyance culverts within the CIP, which will outfall into the various on-site stormwater ponds. These structures and pond areas comprise the overall stormwater facilities of the CIP. Installation of the water distribution and wastewater collection system will also occur at this time as well as the lift station serving the project. Below-ground installation of telecommunications and cable television will occur but will not be funded by the District. Installation of streetlights and undergrounding of power within the public rights-of-way or easements will be funded by the District.

As a part of the recreational component of the CIP, there are conservation areas that can serve as passive parks within the development that are available to the public for utilization of the facilities. The recreational areas will have connectivity via sidewalks to the other portions of the District. The recreational areas will be accessed by the public roadways and sidewalks.

5. Capital Improvement Plan Components

The CIP for the District includes the following:

5.1 Stormwater Management Facilities

Stormwater Management facilities consisting of storm conveyance systems and retention/detention ponds are contained within the District boundaries. Stormwater will be discharged via roadway curb and gutter and storm inlets. Storm culverts convey the runoff into the proposed retention ponds for water quality treatment and attenuation. The proposed stormwater systems will utilize dry retention and/or wet retention for biological pollutant assimilation to achieve water quality treatment. The design criteria for the District's stormwater treatment systems are regulated by the county and SFWMD. There are various conservation areas throughout the District and will be preserved in the existing condition and these will accept stormwater discharges from our ponds as shown in Exhibit 8.

Federal Emergency Management Agency Flood Insurance Rate Map (FEMA FIRM) Panel No. 12097C0115G, dated June 18, 2013, demonstrates that the property is located within Flood Zone A. Based on this information and the site topography, it appears that 100-year compensation will be done in areas where we will impact existing depressions throughout the development and the 100-year flood volumes will be compensated as it is required the county and FEMA.

During the construction of stormwater management facilities, utilities, and roadway improvements the contractor will be required to adhere to a Stormwater Pollution Prevention Plan (SWPPP) as required by the Florida Department of Environmental Protection (FDEP) as delegated by the Environmental Protection Agency (EPA). The SWPPP will be prepared to depict the proposed recommended locations of required erosion control measures and staked turbidity barriers specifically along the downgradient side of any proposed construction activity. The site contractor will be required to provide the necessary reporting as required by the National Pollutant Discharge Elimination System (NPDES) General Permit with erosion control, its maintenance, and any rainfall events that occur during construction activity.

5.2 Public Roadways

The proposed public roadway sections include a 24-foot roadway consisting of asphalt and with Miami curbs or Type F curb and gutter on both sides along with a 40-foot right-of-way. The proposed roadway section will consist of stabilized subgrade, a lime rock, crushed concrete, or cement-treated base, and asphalt type roadway wearing surface. The proposed curb is to be 2-feet wide and placed along the edge of the proposed roadway section for purposes of protecting the integrity of the pavement and to provide stormwater runoff conveyance to the proposed stormwater inlets.

The proposed roadways will also require signing and pavement markings within the public rights-of-way, as well as street signs depicting street name identifications and addressing, which will be utilized by the residents and public. As stated above, the District's funding of roadway construction will occur for all public roadways.

5.3 Water and Wastewater Facilities

A potable drinking water distribution system inclusive of a water main, gate valves, fire hydrants, and appurtenances will be installed. The water service provider will be the City of St Cloud Utilities (City). The water system will be designed to provide equal distribution and redundancy. The system will be installed within the proposed public rights-of-way and will provide potable drinking water (domestic) and fire protection services to serve the entire District.

A domestic wastewater collection system inclusive of gravity sanitary sewer mains and sewer laterals will be installed. The gravity sanitary sewer mains will be a minimum of eight (8)-inch diameter PVC pipe systems. The gravity sanitary sewer lines will be placed inside of the proposed public rights-of-way, under the proposed paved roadways. Sewer laterals will branch off from these sewer lines to serve the development. Lift stations are anticipated for this CIP. Flow from the lift station shall be connected to a proposed force main that will pump to an existing force main that will connect to the City's wastewater treatment facility.

Flow from the lift station shall be connected to a proposed force main that will pump to an existing force main that will connect to the City of St. Cloud's wastewater treatment facility.

The City's public utilities will provide the reclaimed water to be used for all irrigation within the CDD. The reclaimed water will be funded by the District and installed onsite within the roadways to provide for irrigation within the public right-of-way or any areas needing irrigation. No public funds will be used to finance or refinance the cost of any water, sewer, or reclaim water pipes or facilities that consist of extensions to private lots or that are placed on private property, as applicable.

5.4 Off-Site Improvements

The District will provide funding for the anticipated turn lanes at the development entrances. The site construction activities associated with the CIP are anticipated to be completed in two (2) to three (3) years. Upon completion, the improvements required inspections will be completed and final certifications of completions will be obtained from SFWMD, FDEP (water distribution and wastewater collection systems), St. Cloud Utilities, and Osceola County.

5.5 Amenities and Parks

The District will provide funding for an amenity center that is open to the residents and the public to include the following: parking areas, restroom facilities, pool, all-purpose playfields, and walking trails to provide connectivity to the various amenity centers within the CDD. In addition, there will be passive parks throughout the development, which will include benches and walking trails.

5.6 Electric Utilities and Lighting

The electric distribution system through the District is currently planned to be underground. The District presently intends to fund the incremental cost of undergrounding of the electric conduits, transformer/cabinet pads, and electric manholes required by Orlando Utilities Commission (OUC Electric facilities will be owned and maintained by OUC after the dedication, with OUC providing underground electrical service to the development. The CDD presently intends to fund the cost to purchase and install the street lighting along the internal roadways within the CDD. These lights will be operated and maintained by OUC after the dedication, with the District funding maintenance services.

5.7 Entry Feature

Landscaping, irrigation, entry features, and walls where required as a buffer at the entrances and along the outside boundary of the development, will be provided by the District. Landscaping for the roadways will consist of sod, perennial flowers, shrubs, ground cover, and trees for the internal roadways within the CDD. Perimeter fencing will be provided at the site entrances and perimeters where required as a buffer. These items will be funded, owned, and maintained by the CDD.

5.8 Miscellaneous

The stormwater improvements, landscaping and irrigation, recreational improvements, street lighting, and certain permits and professional fees as described in this report are being financed by the District to benefit all the developable real property within the District. The construction and maintenance of the proposed public improvements will benefit the development for the intended use as a single-family/residential planned development.

5.9 Permitting

Construction permits for all phases are required and include the SFWMD ERP, FDEP, City of St. Cloud, and County construction plan approval. Following is a summary of required permits obtained or pending approval for the construction of the public infrastructure improvements for the District.

Table 5.1 Permit Status

PERMIT STATUS	
PERMITS/APPROVALS	APPROVAL/EXPECTED APPROVAL DATE

Preliminary Plat	To be obtained
SFWMD ERP	To be obtained
Construction Permits	To be obtained

6. Recommendation

As previously explained within this report, the public infrastructure, as described, is necessary for the development and functional operation as required by the City. The site planning, engineering design, and construction plans for the infrastructure are in accordance with the applicable requirements of the Polk County and SWFWMD. It should be noted that the infrastructure will provide its intended use and function so long as the construction and installation are in substantial conformance with the design construction plans and regulatory permits.

Items utilized in the Opinion of Probable Costs for this report are based upon the proposed plan infrastructure as shown on construction drawings incorporating specifications in the most current SFWMD, FDEP, Osceola County, and City of St. Cloud regulations.

7. Report Modification

During the development and implementation of the designed public infrastructure improvements, it may be necessary to make modifications and/or deviations to the plans. However, if such deviations and/or revisions do not change the overall primary objective of the plan for such improvements, then the cost differences would not materially affect the proposed construction cost estimates.

8. Summary and Conclusion

The improvements as outlined are necessary for the functional development of the entire project. The project is being designed in accordance with current government regulatory requirements. The project will serve its intended function provided the construction is in substantial compliance with the design. Items of construction for the project are based upon current development plans.

9. Engineer’s Certification

It is our professional opinion that the public infrastructure costs for the CIP provided in this report are reasonable to complete the construction of the public infrastructure improvements. Furthermore, the public infrastructure improvements will benefit and add value to lands within the District and the value is at least the same as the costs for said improvements.

The Opinion of Probable Costs for the public infrastructure improvements is only an estimate and is not a guaranteed maximum price. The estimated costs are based upon current unit prices and on our experience with ongoing and similar projects and basis in the county and city. However, labor market, future costs of equipment; materials, changes to the regulatory permitting agencies' activities, and the actual construction processes employed by the chosen site contractor are beyond the engineer's control. Due to this inherent opportunity for changes (upward or downward) in the construction costs, the total, final construction cost may be more or less than this estimate.

Based upon the presumption that the CIP construction continues in a timely manner, it is our opinion that the costs of the CIP proposed represent a system of improvements benefitting all developable property located within the District, are fair and reasonable, and that the District-funded improvements are assessable improvements within the meaning of Chapter 190, F.S. We have no reason to believe that the CIP improvements cannot be constructed at the cost described in this report. We expect the improvements to be constructed or acquired by the District with bond proceeds, as indicated within this report. We believe that the District will be well served by the improvements discussed in this report.

I hereby certify that the foregoing is a true and correct copy of the engineer's report for the Crossings Community Development District.

Exhibit 8

This preliminary concept was prepared from available information in advance of engineered plans and demonstrates scope, nature and layout of the proposed project. It is subject to refinements for engineering, environmental, architectural, cost effectiveness, marketing, agency review and permit considerations that typically surface as the project evolves from concept to final design. Residential products, if shown, demonstrate product type variety as required by the Land Development Code and are subject to refinements based on final architectural design. Non-residential structures, if shown, are conceptual and will be subject to refinements based on final architectural design. Landscaping is shown at maturity to demonstrate conceptual massing rather than specificity of species and is subject to requirements of the Land Development Code.

GMS-CF, LLC does not represent Crossings Community Development District as a Municipal Advisor or Securities Broker nor is GMS-CF, LLC registered to provide such services as described in Section 15B of the Securities and Exchange Act of 1934, as amended. Similarly, GMS-CF, LLC does not provide Crossings Community Development District with financial advisory services or offer investment advice in any form.

1.0 Introduction

The Crossings Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the “District”), as amended. The District plans to issue approximately \$14,000,000 of tax-exempt bonds (the “Bonds”) for the purpose of financing a portion of the District’s Capital Improvement Plan within the District, described in the Supplemental Engineer’s Report dated June 5, 2024, prepared by Dewberry Engineers Inc. as may be amended and supplemented from time to time (the “Engineer’s Report” and a portion of the project contained therein, the “2024 Project”). The District anticipates the construction of the 2024 Project that specially benefits property owners within the District.

1.1 Purpose

This Second Supplemental Assessment Methodology Report (the “Assessment Report”) supplements the Master Assessment Methodology, dated January 18, 2022, and provides an assessment methodology for allocating the debt to be incurred by the District to benefiting properties within the District based on the special benefits each receives from the 2024 Project. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District will impose non ad valorem special assessments (“Special Assessments”) on the benefited lands within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 142.01 acres within unincorporated Osceola County, Florida. The development program for the District’s 2024 Project currently envisions development to support approximately 276 residential units (herein “Phase Two”). The Phase Two development program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

Improvements contemplated by the District in the 2024 Project will provide facilities that benefit all developable property within the District. Specifically, the District will construct and/or acquire certain offsite improvements, stormwater management systems, utilities, electrical undergrounding, roadways, entry features, parks &

amenities and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the 2024 Project.
2. The District Engineer determines the assessable acres that benefit from the District's 2024 Project.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the 2024 Project.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to assessable property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large. However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the 2024 Project enables properties within the District to be developed. Without the District's 2024 Project, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within the District would be prohibited by law.

There is no doubt that the general public will benefit from the provision of the District's 2024 Project. However, these benefits will be incidental to the 2024 Project, which is designed solely to meet the needs of property within the District. Properties outside the District do not depend upon the District's 2024 Project. The property owners within the District are therefore receiving special benefits not received by those outside the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.

- 2) The assessments must be fairly and reasonably allocated or apportioned to the properties being assessed based on the special benefit such properties receive.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Capital Improvement Plan that is necessary to support full development of property within District will cost approximately \$28,530,823. The District's Underwriter projects that financing costs required to fund a portion the 2024 Project, including project costs, the cost of issuance of the Bonds, the funding of debt service reserves and capitalized interest, will be \$14,000,000. Additionally, funding required to complete the 2024 Project which is not financed with Bonds will be funded by an anticipated subsequent bond issuance and/or by the Developer. Without the 2024 Project, the property within District would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District plans to issue approximately \$14,000,000 in Bonds to fund a portion of the District's 2024 Project, provide for capitalized interest, a debt service reserve account and cost of issuance. It is the purpose of this Assessment Report to allocate the \$14,000,000 in debt to the properties within the District benefiting from the 2024 Project.

Table 1 identifies the proposed land uses as identified by the Developer related to the 2024 Project. The District has relied on the Engineer's Report to develop the costs of the improvements needed to support the development of properties within the District; these construction costs are outlined in Table 2. The improvements needed to support the Development are described in detail in the Engineer's Report and are estimated to cost \$28,530,823. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for the 2024 Project and related costs was determined by the District's Underwriter to total \$14,000,000. Table 3 shows the breakdown of the bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan is completed. Until the platting process occurs, the 2024 Project funded by District Bonds benefits all developable acres within Phase Two of the District.

The initial assessments will be levied on an equal basis to all acreage within Phase Two of the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. All of the lands within Phase Two of the District benefit from the 2024 Project.

Once platting or the recording of declaration of condominium of property within Phase Two of the District into individual lots or units ("Assigned Properties") has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive, on a first platted, first assigned basis. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis ("Unassigned Properties"). Eventually the Phase Two development plan will be completed and the debt relating to the Bonds are anticipated to be allocated to the planned 276 residential units within Phase Two of the District, as depicted in Table 5 and Table 6. If there are changes to the overall development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0

In order for debt service assessment levels to be consistent with market conditions, developer contributions are recognized. This is reflected on Table 5. Based on the product type and number of units anticipated to absorb the Bond Principal, it is estimated that the CDD will recognize a developer contribution equal to \$110,000 in eligible infrastructure.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report may be supplemented from time to time.

2.3 Allocation of Benefit

The 2024 Project consists of offsite improvements, stormwater management systems, utilities, electrical undergrounding, roadways, entry features, parks & amenities and contingency. There are four residential product types within the Phase Two planned development. The single family 50' home has been set as the base unit and has been assigned one equivalent residential unit ("ERU"). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from

the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed 2024 Project will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management systems, utilities, electrical undergrounding, roadways, entry features, parks & amenities and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of 2024 Project, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable, but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's improvements have been apportioned to the property within the District according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the

determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report. In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units within District are built and sold as planned, and the entire proposed 2024 Project is developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will initially distribute the liens across the property within Phase Two of the District boundaries on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land within the District prior to the time final Assigned Properties become known. At this time the debt associated with the 2024 Project will be distributed evenly across the acres within Phase Two of the District. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The current assessment roll is depicted in Table 7.

WHEREAS, any capitalized term used herein and not otherwise expressly defined herein shall have the meaning ascribed thereto in the Indenture; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Crossings Community Development District, as follows:

Section 1. Authorization of Issuance of Series 2024 Bonds. There are hereby authorized and directed to be issued Crossings Community Development District Special Assessment Bonds, Series 2024 (the "Series 2024 Bonds") in an aggregate principal amount not to exceed \$16,000,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2024 Project, (ii) making a deposit to the Series 2024 Reserve Account in an amount equal to the Series 2024 Reserve Requirement, (iii) funding a portion of the interest coming due on the Series 2024 Bonds, and (iv) paying certain costs of issuance in respect of the Series 2024 Bonds. The Series 2024 Bonds shall be issued under and secured by the Indenture the form of which by reference is hereby incorporated into this resolution as if set forth in full herein.

Section 2. Details of the Series 2024 Bonds. The District hereby determines that the Series 2024 Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chair of the Board of Supervisors of the District (the "Chair") or any member of the Board of Supervisors (the "Board") designated by the Chair (a "Designated Member"), prior to the sale of said Series 2024 Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. Second Supplemental Indenture. The District hereby approves and authorizes the execution of the Second Supplemental Indenture by the Chair or any Designated Member and the Secretary or any Assistant Secretary of the Board (the "Secretary") and the delivery of the Second Supplemental Indenture in substantially the form thereof attached as Exhibit A hereto, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Second Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Series 2024 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2024 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issues and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Series 2024 Bonds, including the pledge of Special Assessments as security for the Series 2024 Bonds, it is desirable to sell the Series 2024 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2024 Bonds, it is in the best interests of the District to sell the Series 2024 Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Series 2024 Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Series 2024 Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Series 2024 Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached as Exhibit B hereto, and the sale of the Series 2024 Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chair or a Designated Member are each hereby authorized, acting individually, to execute the Bond Purchase Contract and to deliver the Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached as Exhibit B hereto with such changes, amendments, modifications, omissions and additions as may be approved by the Chair or the Designated Member; provided, however,

(i) If the Series 2024 Bonds are subject to optional redemption, which determination will be made on or before the sale date of the Series 2024 Bonds, the first optional call date and the redemption price shall be determined on or before the Bond Purchase Contract is executed;

(ii) The interest rate on the Series 2024 Bonds shall not exceed the maximum statutory rate (calculated under Section 215.84(3), Florida Statutes, as amended);

(iii) The aggregate principal amount of the Series 2024 Bonds shall not exceed \$16,000,000;

(iv) The Series 2024 Bonds shall have a final maturity not later than the maximum term allowed by Florida law, which is currently thirty (30) years of principal amortization; and

(v) The price at which the Series 2024 Bonds shall be sold to the Underwriter shall not be less than 98.0% of the aggregate face amount of the Series 2024 Bonds, exclusive of original issue discount.

Execution by the Chair or a Designated Member of the Bond Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached as Exhibit C hereto and authorizes its distribution and use in connection with the limited offering for sale of the Series 2024 Bonds. The preparation of a final Limited Offering Memorandum relating to the Series 2024 Bonds (the

"Limited Offering Memorandum") is hereby approved and the Chair or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2024 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2024 Bonds. The Limited Offering Memorandum shall be substantially in the form of the Preliminary Limited Offering Memorandum attached as Exhibit C hereto, with such changes as shall be approved by the Chair or Designated Member as necessary to conform the details of the Series 2024 Bonds and such other insertions, modifications and changes as may be approved by the Chair or Designated Member. The execution and delivery of the Limited Offering Memorandum by the Chair or Designated Member shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2024 Bonds. The Chair is further authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, in the form as mailed, and in furtherance thereof to execute the Rule 15c2-12 Certificate evidencing the same substantially in the forms attached as Exhibit D hereto.

Section 7. Continuing Disclosure. The District hereby authorizes and approves the execution and delivery of the Continuing Disclosure Agreement by and among the District, the Dissemination Agent and any landowner constituting an "Obligated Person" under the Continuing Disclosure Agreement, by the Chair or a Designated Member substantially in the form presented to this meeting and attached as Exhibit E hereto, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Continuing Disclosure Agreement attached hereto. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) promulgated by the U.S. Securities and Exchange Commission.

Section 8. Application of Bond Proceeds. The proceeds of the Series 2024 Bonds shall be applied in the manner required in the Second Supplemental Indenture.

Section 9. Further Official Action; Ratification of Prior and Subsequent Acts. The Chair, the Secretary and each member of the Board and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2024 Bonds, any documents required in connection with implementation of a book-entry system of registration, and investment agreements relating to the investment of the proceeds of the Series 2024 Bonds and any agreements in connection with maintaining the exclusion of interest on the Series 2024 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chair or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement

or instrument authorized or approved herein that requires such a seal and attestation. The Chair or any Designated Member may, among other things, change the date of any document accompanying this Resolution as an exhibit. Execution by the Chair or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution or the issuance of the Series 2024 Bonds, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 10. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 11. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 12. Public Meetings. It is hereby found and determined that all formal actions of the District concerning and relating to the adoption of this Resolution and the consummation of the transactions contemplated by this Resolution were adopted in open meetings of the District, pursuant to all applicable laws and orders, and that all deliberations of the District that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements.

Section 13. Effective Date. This Resolution shall take effect immediately upon its adoption.

If such redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts regarding Assessment Area Two held by the Trustee hereunder (other than the Series 2024 Rebate Fund and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account in accordance with the provisions of Section 4.01(a) hereof, not otherwise reserved to complete the Series 2024 Project and transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of Section 4.01(a) hereof, as a result of the reduction of the Series 2024 Reserve Requirement. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

REMOVAL OF SERIES 2024 SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Acquisition and Construction Account." Net proceeds of the Series 2024 Bonds shall initially be deposited into the Series 2024 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2024 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in this Section 4.01(a), Section 5.01 of the Master Indenture, and as set forth in the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2024 Acquisition and Construction Account shall only be requested by the Issuer to be applied to the Costs of the Series 2024 Project, subject to Sections 3.01(b)(iii), 4.01(f) and 5.06 herein. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Requirement, as applicable and as calculated by the District, who shall be responsible for certifying to the Trustee in writing that such Reserve Release Conditions #1 or Reserve Release Conditions #2 were satisfied, shall then be transferred by the Trustee to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in this Section 4.01(a). The Trustee shall have no duty to review if either Reserve Release Conditions #1 or Reserve Release Conditions #2 have been satisfied.

Following the Completion Date of the Series 2024 Project, all moneys remaining in the Series 2024 Acquisition and Construction Account that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #1 and #2, shall be transferred to the Series 2024 General Redemption Subaccount, as directed in writing by the District Manager on behalf of the Issuer to the Trustee, to be applied as provided in Section 3.01(b)(iii) hereof.

Notwithstanding the foregoing, the Series 2024 Acquisition and Construction Account shall not be closed until after the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2024 Reserve Account shall have been transferred to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with this Section 4.01(a) or as otherwise provided in Section 4.01(f) hereinbelow. The Trustee shall not be responsible for determining the amounts in the Series 2024 Acquisition and Construction Account allocable to the Series 2024 Project or any transfers made to such Account in accordance with direction from the District Manager as provided for herein.

The Trustee shall make no such transfers from the Series 2024 Acquisition and Construction Account to the Series 2024 General Redemption Subaccount if an Event of Default exists, with respect to the Series 2024 Bonds of which the Trustee has actual notice as described in Section 11.06 of the Master Indenture. Except as provided in Section 3.01(b)(iii) or Section 5.06 hereof, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, shall the Trustee withdraw moneys from the Series 2024

Acquisition and Construction Account or subaccount therein. After no funds remain in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Costs of Issuance Account." Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Costs of Issuance Account in the amount set forth in Section 2.06 of this Second Supplemental Trust Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Costs of Issuance Account to pay the costs of issuing the Series 2024 Bonds. Six months after the issuance of the Series 2024 Bonds, any moneys remaining in the Series 2024 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2024 Interest Account and the Series 2024 Costs of Issuance Account shall be closed. Any deficiency in the amount allocated to pay the cost of issuing the Series 2024 Bonds shall be paid from excess Series 2024 Pledged Revenues on deposit in the Series 2024 Revenue Account, as provided in Section 4.02. After no funds remain therein, the Series 2024 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2024 Revenue Account." Series 2024 Special Assessments (except for Prepayments of Series 2024 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this Second Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2024 Special Assessments otherwise received by the Trustee are to be deposited into the Series 2024 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2024 Interest Account." Moneys deposited into the Series 2024 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this Second Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2024 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2024 Sinking Fund Account." Moneys shall be deposited into the Series 2024 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this Second Supplemental Trust Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the "Series 2024 Reserve

Account." Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount set forth in Section 2.06 of this Second Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided in the Master Indenture and in this Section 4.01(f) and Section 4.05 of this Second Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2024 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2024 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Series 2024 Reserve Requirement resulting from investment earnings to the Series 2024 Acquisition and Construction Account and, if such Account is closed, to the Series 2024 Revenue Account in accordance with Section 6.02 of the Master Indenture.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that any landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the Series 2024 Reserve Requirement for the Series 2024 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds are less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached hereto as Exhibit C to the Issuer submitted by the Landowner within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized

notwithstanding that the Completion Date might have been declared provided the Landowner can establish, to the satisfaction of the Consulting Engineer, Costs of the Series 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no unreimbursed costs to pay to the Landowner, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #1 and #2, such excess moneys in the Series 2024 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2024 General Redemption Subaccount and applied to the redemption of Series 2024 Bonds as provided in Section 4.01(a) hereinabove.

In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2024 General Redemption Subaccount, is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2024 Revenue Account to round up the amount in the Series 2024 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be made to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to Section 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2024 Bond Redemption Account" and within such Account, a "Series 2024 General Redemption Subaccount," a "Series 2024 Optional Redemption Subaccount," and a "Series 2024 Prepayment Subaccount." Except as otherwise provided in this Second Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2024 Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2024 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2024 Bonds or (ii) in whole or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2024 Prepayment Subaccount (including all earnings on investments held in such Series 2024 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2024 Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2024 Prepayment Subaccount is not sufficient to redeem a

principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee upon written direction from the Issuer, shall be authorized to withdraw amounts from the Series 2024 Revenue Account to deposit to the Series 2024 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to Section 3.01(b)(i) hereof if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2024 Rebate Account." Moneys shall be deposited into the Series 2024 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2024 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 2026, to the Series 2024 Sinking Fund Account, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless needed to be

transferred to the Series 2024 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2024 Bond subject to extraordinary mandatory redemption pursuant to Sections 4.01(f) or 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2024 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2024 Bonds, to execute and deliver the Series 2024 Indenture and to pledge the Series 2024 Pledged Revenues for the benefit of the Series 2024 Bonds to the extent set forth herein. The Series 2024 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2024 Bonds, except as otherwise permitted under the Master Indenture and in Section 5.04 hereof. The Series 2024 Bonds and the provisions of the Series 2024 Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, and without waiving any sovereign immunity or limitation of liability afforded by Section 768.28, Florida Statutes, or other law, defend, preserve and protect the pledge created by the Series 2024 Indenture and all the rights of the Holders of the Series 2024 Bonds under the Series 2024 Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2024 Project to Conform to Engineer's Report. Simultaneously with the issuance of the Series 2024 Bonds, the Issuer will promptly proceed to construct and/or acquire the Series 2024 Project, as described in Exhibit A hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2024 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2024 Special Assessments may, at its option, or as a result of acceleration of the Series 2024 Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2024 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2024 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2024 Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Series 2024 Reserve Account will exceed the Series 2024 Reserve Requirement for the Series 2024 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this Second Supplemental Trust Indenture of Series 2024 Bonds, the excess amount shall be transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount, as a credit against the Series 2024 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a

Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2024 Reserve Account to equal or exceed the Series 2024 Reserve Requirement.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2024 Special Assessment has been paid in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2024 Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

ARTICLE V
COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2024 Special Assessments. The Series 2024 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes (the "Uniform Method"), unless the District determines that it is in its best interests to collect directly. The Series 2024 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method unless the District determines that it is in its best interests to do so. Prior to any Event of Default, the election to collect and enforce Series 2024 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2024 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2024 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2024 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Series 2024 Bonds Outstanding, provides written consent/direction to a different method of collection. All Series 2024 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2024 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The assessment methodology report shall not be materially amended without the written consent of the Majority Holders, which consent shall be deemed given if no response is received within sixty (60) days of a written request therefor.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer and the Landowner has executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Funds, Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. In addition, the Issuer covenants not to issue any other Bonds or debt obligations, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2024 Special Assessments, until such time as the Series 2024 Special Assessments are Substantially Absorbed or the Majority Holder has consented in writing. The District shall present the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may rely

conclusively upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2024 Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the Issuer from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands not subject to the Series 2024 Special Assessments, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2024 Project.

SECTION 5.05. Requisite Owners for Direction or Consent. Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires greater than fifty percent (50%) of the Owners, shall in each case be deemed to refer to, and shall mean, the Majority Holders.

SECTION 5.06. Acknowledgement Regarding the Moneys in the Series 2024 Acquisition and Construction Account Following an Event of Default. In accordance with the provisions of the Series 2024 Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and any other moneys held by the Trustee under the Series 2024 Indenture for such purpose. Anything in the Series 2024 Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and that upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the Issuer (whether to pay costs of the Series 2024 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Series 2024 Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Series 2024 Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

ARTICLE VI
THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

The Trustee accepts and agrees to execute the trusts hereby created and agrees to perform such trusts upon the terms and conditions set forth in the Series 2024 Indenture. The Trustee agrees to act as Paying Agent, Registrar and Authenticating Agent for the Series 2024 Bonds.

SECTION 6.02. Trustee's Duties. The Trustee shall not be responsible in any manner for the due execution of this Second Supplemental Trust Indenture by the Issuer or for the recitals contained herein (except for the certificate of authentication on the Series 2024 Bonds), all of which are made solely by the Issuer. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlement inuring to the Trustee under the Master Indenture.

FORM OF BOND PURCHASE CONTRACT

**CROSSINGS COMMUNITY DEVELOPMENT DISTRICT
(OSCEOLA COUNTY, FLORIDA)**

**\$[_____]]
SPECIAL ASSESSMENT BONDS, SERIES 2024**

BOND PURCHASE CONTRACT

[_____] , 2024

Board of Supervisors
Crossings Community Development District
Osceola County, Florida

Dear Board of Supervisors:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with Crossings Community Development District (the "District"). The District is located entirely within unincorporated Osceola County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at 4:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[_____] aggregate principal amount of Crossings Community Development District Special Assessment Bonds, Series 2024 (the "Series 2024 Bonds"). The Series 2024 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2024 Bonds shall be \$[_____] (representing the \$[_____] aggregate principal amount of the Series 2024 Bonds, [plus/less net original issue premium/discount of \$[_____] and] less an underwriter's discount of \$[_____]). The payment for and delivery of the Series 2024 Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the "Closing."

2. The Series 2024 Bonds. The Series 2024 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the "Act"), and by Ordinance No. 2022-04 duly enacted by the Board of County Commissioners of Osceola County on January 10, 2022, effective January 11, 2022 (the "Ordinance"). The Series 2024 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of June 1, 2022 (the "Master Indenture"), as amended and supplemented by a Second Supplemental Trust Indenture dated as of [_____] 1, 2024 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolution Nos. 2022-26 and 2024-[_____] adopted by the Board

on January 18, 2022 and [June 5], 2024, respectively (collectively, the "Bond Resolution"). The Series 2024 Special Assessments, comprising the Series 2024 Pledged Revenues for the Series 2024 Bonds, will have been, or will be prior to the time of Closing, levied by the District on the lands within the District specially benefited by the Series 2024 Project pursuant to the Assessment Resolutions (as such terms are defined in the Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2024 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2024 Bonds, that the entire principal amount of the Series 2024 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Series 2024 Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Series 2024 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or until all Series 2024 Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Series 2024 Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2024 Bonds.

(c) The Underwriter confirms that it has offered the Series 2024 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Series 2024 Bonds, if any, for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2024 Bonds, the Underwriter will neither offer nor sell unsold Series 2024 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2024 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Series 2024 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2024 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2024 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Series 2024 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2024 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2024 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2024 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2024 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2024 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2024 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each dealer

who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2024 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2024 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2024 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2024 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2024 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2024 Bonds.

(f) The Underwriter acknowledges that sales of any Series 2024 Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2024 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2024 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2024 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2024 Bonds to the public),

(iii) a purchaser of any of the Series 2024 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum, dated [____], 2024 (the "Preliminary Limited Offering Memorandum"), of the District, relating to the Series 2024 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") in connection with the limited offering of the Series 2024 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date

hereof, authorized the use of the Preliminary Limited Offering Memorandum by the Underwriter in connection with the limited offering of the Series 2024 Bonds. The District shall deliver, or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date (as hereinafter defined) and in sufficient time to accompany any confirmation that requests payment from any customer such number of copies of the final Limited Offering Memorandum (the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda") as the Underwriter shall reasonably request to comply with the requirements of the Rule and all applicable rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The Underwriter agrees that it will not confirm the sale of any Series 2024 Bonds unless a final written confirmation of sale is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum. The District hereby approves the circulation and use by the Underwriter of the Limited Offering Memoranda with respect to the Series 2024 Bonds.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Series 2024 Bonds, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, Clayton Properties Group, Inc., a Tennessee corporation (the "Developer"), and Governmental Management Services - Central Florida, LLC, a Florida limited liability company, as dissemination agent (the "Dissemination Agent"), in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX E thereto (the "Disclosure Agreement") and the DTC Blanket Issuer Letter of Representations entered into by the District are referred to herein collectively as the "Financing Documents," and (b) the Agreement Regarding the Completion of Certain Improvements by and between the District and the Developer dated as of the Closing Date (the "Completion Agreement"), the Agreement Regarding the Acquisition of Work Product, Improvements and Real Property by and between the District and the Developer dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights by and between the District and the Developer, dated as of the Closing Date in recordable form (the "Collateral Assignment"), the Agreement Regarding True-Up by and between the District and the Developer dated as of the Closing Date in recordable form (the "True-Up Agreement") and the Declaration of Consent to Jurisdiction of the District dated as of the Closing Date and executed by the Developer in recordable form (the "Declaration of Consent") are collectively referred to herein as the "Ancillary Agreements."

(d) Except as may be expressly disclosed in the Preliminary Limited Offering Memorandum, the District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Series 2024 Bonds, the Financing Documents, the Ancillary Agreements and the Limited Offering Memorandum, the approval of the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Series 2024 Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Series 2024 Bonds, the Financing Documents or the Ancillary Agreements;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the

(g) The Series 2024 Bonds, when issued, executed and delivered in accordance with the Indenture and when sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture and upon such issuance, execution and delivery of the Series 2024 Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Series 2024 Bonds, a legally valid and binding pledge of and first lien on the Series 2024 Pledged Revenues. On the Closing Date, all conditions precedent to the issuance of the Series 2024 Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) As of the date hereof, there is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2024 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of the Series 2024 Special Assessments or the pledge of and lien on the Series 2024 Pledged Revenues, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2024 Bonds, or the authorization of the Series 2024 Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents and Ancillary Agreements to which the District is a party, or the application of the proceeds of the Series 2024 Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Series 2024 Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Series 2024 Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Series 2024 Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Series 2024 Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the date hereof the statements and information contained in the Preliminary Limited Offering Memorandum (other than Permitted Omissions) and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer," "UNDERWRITING" and, with respect to the Developer, as set forth under the caption "CONTINUING DISCLOSURE";

(k) If the Limited Offering Memorandum is supplemented or amended pursuant to subsection (1) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Limited Offering Memorandum as so supplemented or amended will be accurate in all material respects for the purposes for which their use is authorized and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer," "UNDERWRITING" and, with respect to the Developer, as set forth under the caption "CONTINUING DISCLOSURE";

This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, Florida Statutes (the "Act"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Series 2024 Bonds and the Bond Agreements; (b) to issue the Series 2024 Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Series 2024 Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Series 2024 Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Assessment Resolution, (c) Bonds, (d) Indenture, and (e) Bond Agreements (assuming due authorization, execution and delivery of documents (c) – (e) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Series 2024 Bonds have been fulfilled.

4. **Validation** – The Series 2024 Bonds have been validated by a final judgment of the Circuit Court in and for Osceola County, Florida, of which no timely appeals were filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Series 2024 Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. ***PLOM and LOM*** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments" (as to the first two paragraphs thereof), "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," "THE DEVELOPMENT – Developer Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Series 2024 Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – As the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Series 2024 Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Series 2024 Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Series 2024 Bonds or the validity or enforceability of the Series 2024 Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Series 2024 Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Series 2024 Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Series 2024 Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake Series 2024 Project*** – The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Series 2024 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto; and (5) the continued application of the legislative determinations of the District's Board of Supervisors. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Series 2024 Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code. We express no opinion as to compliance with any state or federal tax laws.

5. We express no opinion and make no representations regarding financial information, statistical data, or assessment and benefit calculations.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the Series 2024 Project.

7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of District.

8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions

Re: \$[_____] Crossings Community Development District Special Assessment Bonds,
 Series 2024 (the "Series 2024 Bonds")

Ladies and Gentlemen:

I am counsel to Clayton Properties Group, Inc., a Tennessee corporation (the "Developer"), which is the owner and developer of certain land located in Osceola County, Florida and being developed as a residential community to be known as "Crossings," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Developer in connection with the issuance by the Crossings Community Development District (the "District") of the above-referenced Bonds, as further described in the District's Preliminary Limited Offering Memorandum dated [____], 2024 and the District's final Limited Offering Memorandum, dated [____], 2024, including the appendices attached thereto (collectively, the "Limiting Offering Memoranda"). Capitalized terms not defined herein shall have the meaning set forth in the Limited Offering Memoranda.

It is my understanding that the Series 2024 Bonds are being issued for the purposes of: (i) providing funds to pay a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2024 Project, (ii) funding a deposit to the Series 2024 Reserve Account in the amount of the Series 2024 Reserve Requirement, (iii) paying a portion of the interest coming due on the Series 2024 Bonds and (iv) paying the costs of issuance of the Series 2024 Bonds.

In my capacity as counsel to the Developer, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Continuing Disclosure Agreement to be dated as of the Closing Date (the "Continuing Disclosure Agreement"), by and among the District, the Developer, and Governmental Management Services – Central Florida, LLC, as dissemination agent, the Agreement Regarding the Completion of Certain Improvements by and between the District and the Developer dated as of the Closing Date (the "Completion Agreement"), the Agreement Regarding the Acquisition of Work Product, Improvements and Real Property by and between the District and the

Developer dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights by and between the District and the Developer dated as of the Closing Date (the "Collateral Assignment"), the Agreement Regarding True-Up by and between the District and the Developer dated as of the Closing Date (the "True-Up Agreement"), and the Declaration of Consent to Jurisdiction of the District, Imposition of Special Assessments and Imposition of Lien of Record dated as of the Closing Date and executed by the Developer (the "Declaration of Consent") (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined (i) the Developer's corporate charter filed on September 1, 1998, (ii) certificate of good standing issued by the State of Tennessee for the Developer on _____, 2024 and (iii) certificate of good standing issued by the State of Florida for the Developer on _____, 2024 (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Developer) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of Developer, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. The Developer is a corporation organized and existing under the laws of the State of Tennessee and duly authorized to transact business in the State of Florida.
2. The Developer has the power to conduct its business and to undertake the funding of the development of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.
3. The Documents have been duly authorized, executed and delivered by the Developer and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Developer, enforceable in accordance with their respective terms.
4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE DEVELOPER," "LITIGATION – The Developer" and "CONTINUING DISCLOSURE" (as it relates to the Developer only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.
5. The execution, delivery and performance of the Documents by the Developer do not violate (i) the bylaws of the Developer, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Developer is a party or by which any of the Developer's assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Developer or its assets.

6. Nothing has come to my attention that would lead me to believe that the Developer is not in compliance in all material respects with all provisions of applicable law in all material matters relating to such entity as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Developer has not received all government permits, consents and licenses required in connection with the construction and completion of the development of the Capital Improvement Plan, including the Series 2024 Project, and the lands in Assessment Area Two of the District as described in the Limited Offering Memoranda; (b) I have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Developer's ability to complete development of the Series 2024 Project and the lands in Assessment Area Two of the District as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the development of the Series 2024 Project or the lands in Assessment Area Two of the District as described in the Limited Offering Memoranda will not be obtained in due course as required by the Developer.

7. To the best of my knowledge after due inquiry, the levy of the Series 2024 Special Assessments on the applicable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Developer is a party or to which the Developer or any of its property or assets are subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending which would prevent or prohibit the development of the Series 2024 Project or the lands in Assessment Area Two of the District in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto or which may result in any material adverse change in the business, properties, assets or financial condition of the Developer.

9. To the best of my knowledge after due inquiry, the Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Developer has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Developer is in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets are subject, which default would have a material adverse effect on the Series 2024 Bonds or the development of the Series 2024 Project or the lands in Assessment Area Two of the District.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such

enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

CROSSINGS COMMUNITY DEVELOPMENT DISTRICT
(OSCEOLA COUNTY, FLORIDA)

[\$14,000,000]*
SPECIAL ASSESSMENT BONDS, SERIES 2024

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page, inside cover and appendices hereto, is to provide certain information in connection with the issuance and sale by Crossings Community Development District (the "District" or the "Issuer") of its \$[14,000,000]* aggregate principal amount of Special Assessment Bonds, Series 2024 (the "Series 2024 Bonds").

PROSPECTIVE INVESTORS SHOULD BE AWARE OF CERTAIN RISK FACTORS, ANY OF WHICH, IF MATERIALIZED TO A SUFFICIENT DEGREE, COULD DELAY OR PREVENT PAYMENT OF PRINCIPAL OF AND/OR INTEREST ON THE SERIES 2024 BONDS. THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES PROMULGATED THEREUNDER. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. See "SUITABILITY FOR INVESTMENT" and "BONDOWNERS' RISKS" herein.

The District is a local unit of special-purpose government of the State of Florida (the "State"), created in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2022-04 duly enacted by the Board of County Commissioners of Osceola County, Florida (the "County") on January 10, 2022, effective January 11, 2022 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District encompasses approximately 142.01 gross acres of land (the "District Lands"), located within the County. The Development is located north of Jones Road and approximately 6 miles to the north of U.S. Highway 441/192. For more complete information about the District, its Board of Supervisors and the District Manager, see "THE DISTRICT" herein.

The District Lands are being developed as a residential community known as "Crossings" (collectively, the "Development"). At buildout, the Development is planned to contain 614 residential units,

* Preliminary, subject to change.

comprised of townhome units and single-family homes. See "THE DEVELOPMENT" herein for more information.

Land development of the District Lands is being phased. The first phase of development has been platted and contains 338 lots ("Phase One," also referred to as "Assessment Area One"). The portion of the District's Capital Improvement Plan associated with the development of Assessment Area One is referred to herein as the "Series 2022 Project." The District previously issued its Series 2022 Bonds to finance a portion of the Series 2022 Project. The Series 2022 Project is complete, and all 338 lots have been developed and platted. See "THE DISTRICT – Outstanding Bond Indebtedness" and "THE DEVELOPMENT – Update on Assessment Area One" herein for more information").

The second phase of development consists of approximately [64.045] acres and is planned to contain 276 lots ("Phase Two," also referred to herein as "Assessment Area Two"). The portion of the Capital Improvement Plan associated with Assessment Area Two is referred to herein as the "Series 2024 Project." The portion of the Capital Improvement Plan associated with the development of Assessment Area Two is referred to herein as the "Series 2024 Project." See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2024 PROJECT" herein for more information.

The Series 2024 Bonds will be secured by the Series 2024 Special Assessments (as defined herein), which will initially be levied on the approximately [64.045] gross acres within Assessment Area Two. As lots are platted, the Series 2024 Special Assessments will be assigned to the 276 lots planned for Assessment Area Two on a first platted, first assigned basis as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes and a wholly owned subsidiary of Berkshire Hathaway (the "Developer" or the "Landowner"), is the developer and [primary] homebuilder for the Development. See "THE DEVELOPER" herein for more information.

The Series 2024 Bonds are being issued pursuant to the Act, Resolution No. 2022-26 and Resolution No. 2024-[] adopted by the Board of Supervisors (the "Board") of the District on January 18, 2022 and [June 5], 2024 (collectively, the "Resolution"), and a Master Trust Indenture dated as of June 1, 2022 (the "Master Indenture"), as supplemented by a Second Supplemental Trust Indenture, dated as [] 1, 2024 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" hereto.

The Series 2024 Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2024 Project, (ii) funding a deposit to the Series 2024 Reserve Account in the amount of the Series 2024 Reserve Requirement (each as defined herein), (iii) paying a portion of the interest coming due on the Series 2024 Bonds and (iv) paying the costs of issuance of the Series 2024 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2024 Bonds are payable from and secured solely by the Series 2024 Pledged Revenues. The Series 2024 Pledged Revenues for the Series 2024 Bonds consist of (a) all revenues received by the District from the Series 2024 Special Assessments levied and collected on the assessable lands within Assessment Area Two, benefitted by the Series 2024 Project, including without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special

Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture, created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that the Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

Set forth herein are brief descriptions of the District, the Series 2024 Project, Assessment Area Two, the Developer and the Development, together with summaries of terms of Series 2024 Bonds, the Indenture, and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and the Act and all references to the Series 2024 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. A copy of the Master Indenture and proposed form of the Second Supplemental Indenture appear as APPENDIX B attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE SERIES 2024 BONDS

General Description

The Series 2024 Bonds will be dated the date, will bear interest at the rates per annum (computed on the basis of a 360-day year consisting of twelve 30-day months) and, subject to the redemption provisions set forth below, will mature on the dates and in the amounts set forth on the inside cover pages of this Limited Offering Memorandum. Interest on the Series 2024 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Interest on the Series 2024 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to November 1, 2024, in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. U.S. Bank Trust Company, National Association is the initial Trustee, Paying Agent and Registrar for the Series 2024 Bonds.

The Series 2024 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof provided, except as otherwise provided in the Indenture. The Series 2024 Bonds will initially be offered only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder; provided, however, the limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2024 Bonds. See "SUITABILITY FOR INVESTMENT" herein.

Upon initial issuance, the Series 2024 Bonds shall be issued as one fully registered bond for each maturity of Series 2024 Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants.

As long as the Series 2024 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes of the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2024 Bonds ("Beneficial Owners"). Principal and interest on the Series 2024 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the District. During the period for which Cede & Co. is registered owner of the Series 2024 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system for the Series 2024 Bonds, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor, and after such time the Series 2024 Bonds may be exchanged for an equal aggregate principal amount of such Series 2024 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "– Book-Entry Only System" herein.

Redemption Provisions

Optional Redemption

The Series 2024 Bonds maturing after May 1, 20__ may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Mandatory Sinking Fund Redemption

The Series 2024 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2024 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account following the payment in whole or in part of Series 2024 Special Assessments on any assessable property within Assessment Area Two in accordance

with the provisions of the Second Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount as a result of such Prepayment and pursuant the Second Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level;

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts regarding Assessment Area Two held by the Trustee within the Second Supplemental Indenture (other than the Series 2024 Rebate Fund and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; and

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account in accordance with the provisions of the Second Supplemental Indenture, not otherwise reserved to complete the Series 2024 Project and transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of the Second Supplemental Indenture, as a result of the reduction of the Series 2024 Reserve Requirement. If such redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

"Quarterly Redemption Date" shall mean each February 1, May 1, August 1, and November 1 of any calendar year.

Notice of Redemption

When required to redeem or purchase Series 2024 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2024 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2024 Bonds for which notice was duly mailed in accordance with the Indenture. If, at the time of mailing of notice of an optional redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all of the Series 2024 Bonds called for redemption, such notice shall expressly state that the redemption is conditional and is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Series 2024 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2024 Sinking Fund Account to the purchase of the Series 2024 Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds within a series or maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Series 2024 Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Series 2024 Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2024 Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Series 2024 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2024 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Series 2024 Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository) pursuant to the procedures of DTC. In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

The Series 2024 Bonds are payable from and secured solely by the Series 2024 Pledged Revenues. The Series 2024 Pledged Revenues for the Series 2024 Bonds consist of (a) all revenues received by the District from the Series 2024 Special Assessments (as defined herein) levied and collected on the assessable lands within Assessment Area Two, benefitted by the Series 2024 Project, including without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture, created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that the Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3), of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso).

The "Series 2024 Special Assessments" consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within the District specially benefitted by the Series 2024 Project, or any portions thereof, pursuant to Section 190.022 of the Act, Chapters 170 and 197, Florida Statutes, and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but constitute a lien against the land as to which the Series 2024 Special Assessments are imposed, including homestead property as permitted in Section 4, Article X of the Florida State Constitution. The Series 2024 Special Assessments will constitute a lien against the land as to which the Series 2024 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Series 2024 Special Assessments

will initially be levied on the approximately [64.045] gross acres within Assessment Area Two within the District.

The Series 2024 Special Assessments are levied in an amount corresponding to the debt service on the Series 2024 Bonds on the basis of benefit received by the assessable lands within the District as a result of the Series 2024 Project. The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2024 Special Assessments to the assessable lands within Assessment Area Two, is included as APPENDIX D attached hereto.

In the Master Indenture, the District has covenanted that, if any Series 2024 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2024 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2024 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement or (ii) in its sole discretion, make up the amount of such Series 2024 Special Assessment from any legally available moneys, which shall be deposited into the Series 2024 Revenue Account. In the case such second Series 2024 Special Assessment shall be annulled, the District shall obtain and make other Series 2024 Special Assessments until a valid Series 2024 Special Assessment shall be made.

Prepayment of Series 2024 Special Assessments

The Assessment Proceedings provide that an owner of property subject to the Series 2024 Special Assessments may prepay the entire remaining balance of such Series 2024 Special Assessments at any time, or a portion of the remaining balance of such Series 2024 Special Assessment one time, if there is also paid, in addition to the prepaid principal balance of the Series 2024 Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2024 Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of the Series 2024 Special Assessments does not entitle the property owner to any discounts for early payment.

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2024 Special Assessments may pay the entire balance of the Series 2024 Special Assessments remaining due, without interest, within thirty (30) days after the Series 2024 Project has been completed, and the Board has adopted a resolution accepting the Series 2024 Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the sole owner of the assessable property within Assessment Area Two, will waive this right on behalf of itself and its successors and assigns in connection with the issuance of the Series 2024 Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2024 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional and required prepayments of Series 2024 Special Assessments by property owners.

Additional Bonds

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations, secured by Special Assessments on the assessable lands within

the District that are subject to the Series 2024 Special Assessments, until such time as the Series 2024 Special Assessments are Substantially Absorbed or the Majority Holder has consented in writing. The District shall present the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least 75% of the principal portion of the Series 2024 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. Such covenant shall not prohibit the District from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands not subject to the Series 2024 Special Assessments, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2024 Project.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Special Assessments without the consent of the Owners of the Series 2024 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2024 Special Assessments, on the same lands upon which the Series 2024 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District has covenanted that (a) except for those improvements comprising the Projects that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Projects or any part thereof. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" herein.

Acquisition and Construction Account

The Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Acquisition and Construction Account." Net proceeds of the Series 2024 Bonds shall initially be deposited into the Series 2024 Acquisition and Construction Account in the amount set forth in the Second Supplemental Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2024 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 (as defined herein) as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in the Indenture, and as set forth in the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2024 Acquisition and Construction Account shall only be requested by the District to be applied to the Costs of the Series 2024 Project, subject to the Second Supplemental Indenture. Upon satisfaction of the Reserve Release Conditions #1 or Reserve Release Conditions #2, the amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Requirement, as applicable and as calculated by the District, which shall be responsible for certifying to the Trustee in writing that such Reserve Release Conditions #1 or Reserve Release Conditions #2 were satisfied, shall then be transferred by the Trustee to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in the Second Supplemental Indenture. The Trustee shall have no duty to review if either Reserve Release Conditions #1 or Reserve Release Conditions #2 have been satisfied. See "– Reserve Account" herein for more information regarding Reserve Release Conditions #1 and Reserve Release Conditions #2.

Following the Completion Date of the Series 2024 Project, all moneys remaining in the Series 2024 Acquisition and Construction Account that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #1 and #2, shall be transferred to the Series 2024 General Redemption Subaccount, as directed in writing by the District Manager on behalf of the District to the Trustee, to be applied as set forth in the Second Supplemental Indenture.

Notwithstanding the foregoing, the Series 2024 Acquisition and Construction Account shall not be closed until after the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2024 Reserve Account shall have been transferred to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with the Second Supplemental Indenture. The Trustee shall not be responsible for determining the amount in the Series 2024 Acquisition and Construction Account allocable to the Series 2024 Project or any transfers made to such Account in accordance with direction from the District Manager as provided for in the Second Supplemental Indenture.

The Trustee shall make no such transfers from the Series 2024 Acquisition and Construction Account to the Series 2024 General Redemption Subaccount if an Event of Default exists with respect to the Series 2024 Bonds of which the Trustee has actual notice as described in the Master Indenture. Except as provided in the Second Supplemental Indenture, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached to the Second Supplemental Indenture, shall the Trustee withdraw moneys from the Series 2024 Acquisition and Construction Account. After no funds remain in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

Anything in the Indenture to the contrary notwithstanding, the District will acknowledge in the Second Supplemental Indenture that the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and that upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the District (whether to pay costs of the Series 2024 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture; provided, however, notwithstanding anything in the Second Supplemental Indenture to the contrary, the Trustee is also authorized to utilize the Series 2024 Pledged Revenues to pay fees and expenses as provided in the Master Indenture.

Reserve Account

The Indenture establishes a separate account within the Debt Service Reserve Fund designated as the "Series 2024 Reserve Account" solely for the benefit of the Series 2024 Bonds. Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount of the Series 2024 Reserve Requirement, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account, shall be applied for the purposes provided in the Indenture.

"Series 2024 Reserve Requirement" or "Reserve Requirement" shall mean (i) initially, an amount equal to the maximum annual debt service on the Series 2024 Bonds as calculated from time to time; (ii) upon the occurrence of the Reserve Release Conditions #1, fifty percent (50%) of the maximum annual debt service on the Series 2024 Bonds as calculated from time to time; and (iii) upon the occurrence of the Reserve Release Conditions #2, ten percent (10%) of the maximum annual debt service on the Series 2024 Bonds as calculated from time to time. Upon satisfaction of the Reserve Release Conditions #1 or Reserve Release Conditions #2, as applicable, such excess amount shall be released from the Series 2024 Reserve Account and transferred to the Series 2024 Acquisition and Construction Account in accordance with the

provisions of the Second Supplemental Indenture. For the purpose of calculating the Series 2024 Reserve Requirement, maximum annual debt service, fifty percent (50%) of maximum annual debt service, or 10% of maximum annual debt service, as the case may be, shall be recalculated in connection with the extraordinary mandatory redemption described in the Second Supplemental Indenture (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2024 Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Series 2024 General Redemption Subaccount or the Series 2024 Prepayment Subaccount, as applicable, in accordance with the provisions of the Second Supplemental Indenture. Amounts on deposit in the Series 2024 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2024 Bonds be used to pay principal of and interest on the Series 2024 Bonds at that time. Initially, the Series 2024 Reserve Requirement shall be equal to \$ _____.

"Reserve Release Conditions #1" shall mean collectively (i) all of the Outstanding principal amount of the Series 2024 Special Assessments shall have been assigned to lots that have been developed and platted, and (ii) there shall be no Events of Default under the Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

"Reserve Release Conditions #2" shall mean collectively (i) satisfaction of Reserve Release Conditions #1, (ii) all of the Outstanding principal portion of the Series 2024 Special Assessments shall have been assigned to homes that have received a certificate of occupancy, and (iii) there shall be no Events of Default under the Series 2024 Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

Notwithstanding any provisions in the Master Indenture to the contrary, the District will covenant in the Indenture not to substitute the cash and Investment Securities on deposit in the Series 2024 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2024 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Series 2024 Reserve Requirement resulting from investment earnings to the Series 2024 Acquisition and Construction Account and, if such Account is closed to the Series 2024 Revenue Account in accordance with the Indenture.

Subject to the provisions of the Second Supplemental Indenture, on any date the District receives notice from the District Manager that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the District shall, or shall cause the District Manager on behalf of the District to calculate, the principal amount of such Prepayment, taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the Series 2024 Reserve Requirement for the Series 2024 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds, to the Series 2024 General Redemption Subaccount, if as a result of the application of the provisions of the Master Indenture with respect to Events of Default, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached as an exhibit to the Second Supplemental Indenture to the District submitted by the Landowner within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Landowner can establish, to the satisfaction of the Consulting Engineer, Costs of the Series 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no unreimbursed costs to pay to the Landowner, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in the Second Supplemental Indenture is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #1 and #2, such excess moneys in the Series 2024 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2024 General Redemption Subaccount and applied to the redemption of Series 2024 Bonds as provided in the Second Supplemental Indenture.

In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2024 General Redemption Subaccount is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2024 Revenue Account to round up the amount in the Series 2024 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be made to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to the Second Supplemental Indenture if as a result the deposits required under the Second Supplemental Indenture cannot be made in full.

It shall be an event of default under the Indenture if at any time the amount in the Series 2024 Reserve Account is less than the Reserve Requirement therefor as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Pledged Revenues

Pursuant to the Indenture, the Trustee shall establish a separate account with the Revenue Fund designated as the "Series 2024 Revenue Account." Series 2024 Special Assessments (except for Prepayments of Series 2024 Special Assessments which shall be identified as such by the District to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account and applied as set forth in the Indenture. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20[], to the Series 2024 Sinking Fund Account, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless needed to be transferred to the Series 2024 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2024 Bond subject to extraordinary mandatory redemption pursuant to the Second Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund only in Investment Securities (as defined in the Master Indenture). The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2024 Reserve Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Master Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other income so received shall be deposited in the applicable Series Account of the Revenue Fund. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the respective Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net

proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" attached hereto.

Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

For purposes of the following, (a) the Series 2024 Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under a Supplemental Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments." The Master Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (herein, an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District has acknowledged and agreed that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District has agreed in the Master Indenture that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the District has agreed in the Master Indenture that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) the Trustee shall have the right, but is not obligated to, (i) to the extent permitted by law, vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose

and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed in the Master Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2024 Bonds:

- (a) if payment of any installment of interest on any Series 2024 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2024 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by a Majority Holder of the Series 2024 Bonds; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2024 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Series 2024 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or
- (f) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or
- (g) if, at any time after eighteen months following issuance of the Series 2024 Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands

upon which the Series 2024 Special Assessments are levied to secure the Series 2024 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2024 Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default with respect to the Series 2024 Bonds, no optional redemption or extraordinary mandatory redemption of Series 2024 Bonds pursuant to the Indenture shall occur unless all of the Series 2024 Bonds will be redeemed or if 100% of the Holders of the Series 2024 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2024 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Series 2024 Bonds and receipt of indemnity to its satisfaction shall:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2024 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2024 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2024 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2024 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2024 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2024 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default with respect to the Series 2024 Bonds is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders of the Series 2024 Bonds shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Subject to the provisions of the Indenture, the Majority Holder of the Outstanding Series 2024 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds is the collection of Series 2024 Special Assessments imposed on certain assessable lands in Assessment Area Two within the District specially benefited by the Series 2024 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2024 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Osceola County Tax Collector ("Tax Collector") or the Osceola County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Special Assessments during any year. Such delays in the collection of Series 2024 Special Assessments, or complete inability to collect the Series 2024 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2024 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Series 2024 Special Assessments to be valid, the Series 2024 Special Assessments must meet two requirements: (1) the benefit from the Series 2024 Project to the lands subject to the Series 2024 Special Assessments must exceed or equal the amount of the Series 2024 Special Assessments, and (2) the Series 2024 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Methodology Consultant will certify that these requirements have been met with respect to the Series 2024 Special Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2024 Special Assessments through a variety of methods. Initially, and for undeveloped properties owned by the Developer, the District will directly issue annual bills to landowners requiring payment of the Series 2024 Special Assessments and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are developed and platted, the Series 2024 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2024 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2024 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Special Assessments and the ability to foreclose the lien of such Series 2024 Special Assessments upon the failure to pay such Series 2024 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be

demand for any foreclosed lands sufficient to repay the Series 2024 Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2024 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2024 Special Assessments will be collected together with the County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2024 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Special Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2024 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2024 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2024 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying

for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Special Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby and are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer owns all of the assessable lands within Assessment Area Two, which are the lands that will be subject to the Series 2024 Special Assessments securing the Series 2024 Bonds. Payment of the Series 2024 Special Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area Two. Non-payment of the Series 2024 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2024 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2024 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2024 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Special Assessments and the ability of the District to foreclose the lien of the Series 2024 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2024 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Special Assessments. The Series 2024 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien

on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2024 Special Assessments or that they will pay such Series 2024 Special Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2024 Special Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2024 Special Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2024 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2024 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2024 Special Assessments may ultimately depend on the market value of the land subject to the Series 2024 Special Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2024 Special Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2024 Special Assessments, which may also be affected by the value of the land subject to the Series 2024 Special Assessments, is also an important factor in the collection of Series 2024 Special Assessments. The failure of the Developer or subsequent landowners to pay the Series 2024 Special Assessments could render the District unable to collect delinquent Series 2024 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2024 Bonds.

Regulatory and Environmental Risks

The development of the District Lands, including Assessment Area Two, is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area Two and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District, including Assessment Area Two, and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2024 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area Two.

The value of the lands subject to the Series 2024 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the

District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area Two and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2024 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2024 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2024 Special Assessment, even though the landowner is not contesting the amount of the Series 2024 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2024 Bonds

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the lands within Assessment Area Two, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2024 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2024 Bonds because of the moneys on deposit in the Series 2024 Reserve Account. The ability of the Series 2024 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2024 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2024 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Series 2024 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2024 Special Assessments, the moneys on deposit in the Series 2024 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2024 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Special Assessments in order to provide for the replenishment of the Series 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Reserve Account" herein for more information about the Series 2024 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2024 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2024 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on

April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those

proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2024 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2024 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2024 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Series 2024 Project will exceed the net proceeds from the Series 2024 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Series 2024 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2024 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Bonds" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Series 2024 Project regardless of the insufficiency of proceeds from the Series 2024 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation. See "THE DEVELOPER" herein for more information.

There are no assurances that the Series 2024 Project and any other remaining development work associated with Assessment Area Two will be completed. [Further, even if development of Assessment Area Two is completed, there are no assurances that all of the planned homes will be constructed and sold within Assessment Area Two. See "THE DEVELOPER" herein for more information.]

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, [the purchase of lots therein by homebuilders] and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2024 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2024 Special Assessments by the Developer or subsequent owners of the property within Assessment Area Two. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions," "– Purchase of Series 2024 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments" herein for more information.

Payment of Series 2024 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General

The District is an independent local unit of special-purpose government created in accordance with the Act. The District was established under Ordinance No. 2022-04, which was enacted by the County on January 10, 2022, effective January 11, 2022. The District encompasses approximately 142.01 gross acres of land located within the incorporated municipal boundaries of the County. The District is located north of Jones Road, and approximately 6 miles to the north of U.S. Highway 441/192. The District Lands are being developed as a planned residential community known as "Crossings" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Governance

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of an owner of the land within the District.

The current members of the Board and the date of expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Brian Walsh*	Chair	November 2026
Milton Andrade*	Vice-Chair	November 2026
Kareyann Ellison*	Assistant Secretary	November 2024
Jeffrey Shenefield*	Assistant Secretary	November 2022
Garret Parkinson*	Assistant Secretary	November 2024

* Elected by the landowners; employee of or affiliated with the Developer or its affiliates.

A majority of the Supervisors constitutes a quorum for the purposes of conducting the business of the District and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of the majority of the Supervisors present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's "sunshine" or open meetings law.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority: (a) to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, (iv) conservation areas, mitigation areas, and wildlife habitat, (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) to borrow money and issue bonds of the District; (c) to impose and foreclose special assessments liens as provided in the Act; and (d) to exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

Also, pursuant to the Ordinance, the District has been granted special powers pursuant to Sections 190.012(1), 190.012(2)(a) of the Act, as well as Sections 190.012(b) – (f) of the Act if said improvements and each of their specifications are first approved by the County. Such special powers include, but are not limited to, the right to (i) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend,

equip, operate, and maintain additional systems and facilities for parks and facilities for indoor and outdoor recreational, cultural and educational uses; and (ii) construct and maintain a perimeter wall/fence for the District so long as the construction and specifications of the wall/fence are first approved by the County.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances or to grant building permits; these functions are performed by the County, as applicable, acting through their respective Commissions and departments of government.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2024 Bonds.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. Governmental Management Services – Central Florida, LLC, serves as District Manager. The District Manager's corporate office is located at 219 E. Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Kilinski | Van Wyk PLLC, Tallahassee, Florida, as District Counsel; Greenberg Traurig, P.A., Miami, Florida, as Bond Counsel; and Governmental Management Services – Central Florida, LLC, Orlando, Florida, serves as Methodology Consultant for the Series 2024 Bonds.

Outstanding Bond Indebtedness

The District previously issued its Special Assessment Bonds, Series 2022 (the "Series 2022 Bonds") on June 23, 2022, in the original aggregate principal amount of \$5,800,000, of which \$[] was outstanding as of [], 2024. The Series 2022 Bonds are secured by the special assessments assigned to the lands within the District, which lands are separate and distinct from the lands within the District that are subject to the Series 2024 Special Assessments securing the Series 2024 Bonds.

In the Engineer's Report, the District Engineer estimates the total cost of the Capital Improvement Plan to be approximately \$28,530,823.

The District Lands encompass approximately 142 acres. Land development of the District Lands is being phased. The first phase of development has been platted and contains 338 lots ("Phase One," also referred to as "Assessment Area One"). The second phase of development consists of approximately 64.045 acres and is planned to contain 276 lots ("Phase Two," also referred to herein as "Assessment Area Two"). The portion of the Capital Improvement Plan associated with Assessment Area Two is referred to herein as the "Series 2024 Project."

The portion of the Capital Improvement Plan associated with the development of Assessment Area One is referred to herein as the "Series 2022 Project." The District previously issued its Series 2022 Bonds to finance a portion of the Series 2022 Project. The Series 2022 Project is complete, and all 338 lots have been developed and platted. See "THE DEVELOPMENT – Update on Assessment Area One" herein for more information").

The portion of the Capital Improvement Plan associated with the development of Assessment Area Two is referred to herein as the "Series 2024 Project." Net proceeds of the Series 2024 Bonds will fund a portion of the costs of the Series 2024 Project. The District Engineer, in the Engineer's Report, estimates the total approximate cost of the Series 2024 Project to be [\$12,183,308].

Net proceeds of the Series 2024 Bonds in the amount of approximately \$11.72 million * will be available to the District for the funding and/or acquisition of the Series 2024 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2024 Project not funded with proceeds of the Series 2024 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The District Engineer has indicated that all engineering permits necessary to construct the Capital Improvement Plan that are set forth in the Engineer's Report have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Assessment Methodology for Crossings Community Development District, dated January 18, 2022, as supplemented by the Second Supplemental Assessment Methodology (2024 Project) for Crossings Community Development District, dated as of [May 1, 2024] (collectively, the "Assessment Methodology"), which allocates the Series 2024 Special Assessments to the lands within the District, has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. A copy of the Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2024 Bonds are determined, the Assessment Methodology will be further supplemented to reflect such final terms. Once levied and imposed, the Series 2024 Special Assessments are a first lien on the assessed lands within the District until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

As set forth in the Assessment Methodology, Series 2024 Special Assessments securing the Series 2024 Bonds will initially be levied the approximately [64.05] gross acres within Assessment Area Two. As lots are platted, the Series 2024 Special Assessments will be assigned to the 276 lots planned within Assessment Area Two on a first platted, first assigned basis a per unit basis below and as set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" for more information.

Assuming full platting of Assessment Area Two, the chart below sets forth the estimated Series 2024 Special Assessments expected to be levied and allocated to platted units to pay debt service on the Series 2024 Bonds and the estimated Series 2024 Bond par per unit.

Product Type	No. of Units	Annual Series 2024 Special Assessments Per Unit*/**	Series 2024 Bonds Par Debt Per Unit*/**
Townhome	14	\$2,210	\$31,250
Single-Family 32'	70	2,947	41,667
Single-Family 50'	130	3,683	52,083
Single-Family 60'	<u>62</u>	4,420	62,500
Total	276		

* Preliminary, subject to change. Series 2024 Special Assessments collected via the Uniform Method will include a gross up to account for County collection costs/payment discounts, which may fluctuate.

** Reflects Developer contributions with respect to the townhome lots and 32' lots. See APPENDIX D hereto for more information. To achieve target assessment levels of \$836 per townhome, \$1,216 per 32' lot, \$1,900 per 50' lot, and \$2,280 per 60' lot, the Developer expects (but is not obligated) to prepay a portion of the Series 2024 Special Assessments at closing of homes with end users. The total expected prepayment is approximately \$7,140,000 (preliminary, subject to change).

The District expects to levy assessments to cover its operation and maintenance costs, which are expected to be approximately \$[] per unit annually, but such amount is subject to change. The District Lands have been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District in 2023 was approximately 13.9649 mills. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School Board of Osceola County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible

that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 142.01 gross acres located in unincorporated Osceola County ("the County") and are being developed as a 614-unit residential community to be known as "Crossings" and referred to herein as the "Development." More specifically, the Development is located north of Jones Road, east and west of Wetlands Place and Gerry Court, and approximately 6 miles to the north of U.S. Highway 441/192, which provides access to Interstate-4. Orlando International Airport is approximately 15 miles to the north of the Development. The map below depicts the location of the Development.

Land development associated with the Development will be phased. Land development of the District Lands is being phased. The first phase of development has been platted and contains 338 lots ("Phase One," also referred to as "Assessment Area One"). The second phase of development consists of approximately 64.045 acres and is planned to contain 276 lots ("Phase Two," also referred to herein as

"Assessment Area Two"). The portion of the Capital Improvement Plan associated with the development of Assessment Area One is referred to herein as the "Series 2022 Project." The portion of the Capital Improvement Plan associated with the development of Assessment Area Two is referred to herein as the "Series 2024 Project."

The District previously issued its Series 2022 Bonds to finance a portion of the Series 2022 Project. The Series 2022 Project is complete, all 338 lots have been developed and platted. The Series 2022 Bonds are secured by the Series 2022 Special Assessments, which were initially levied on all of the District Lands and which have now been [fully] assigned to the platted lots within Assessment Area One. See "THE DISTRICT – Outstanding Bond Indebtedness" herein and "– Update on Assessment Area One" below for more information.

The Series 2024 Bonds will finance a portion of the Series 2024 Project. The Series 2024 Bonds will be secured by the Series 2024 Special Assessments, which will initially be levied on [64.045] gross acres within Assessment Area Two. As lots are platted, the Series 2024 Special Assessments will be assigned to the 276 lots planned for Assessment Area Two on a first platted, first assigned basis as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes and a wholly owned subsidiary of Berkshire Hathaway (the "Developer"), is the sole developer [and homebuilder] for Assessment Area Two. See "THE DEVELOPER" herein for more information.

Townhomes planned for the Development will range in size from approximately [1,705 square feet to 1,923 square feet], and starting price points will range from approximately [\$____,000 to \$____,000]. Single-family homes planned for the Development will range in size from approximately [1,715 square feet to 3,162 square feet], and starting price points will range from approximately [\$384,550 to \$524,900]. The target customers for units within the Development are first-time homebuyers and move-up buyers. See "– Residential Product Offerings" herein for more information.

Update on Assessment Area One

The District previously issued its Series 2022 Bonds to finance a portion of the Series 2022 Project. The Series 2022 Project is complete, all 338 lots have been developed and platted. Home sales within Assessment Area One have commenced. As of [March 31], 2024, approximately 11 homes had closed with homebuyers within Assessment Area One, and an additional 92 homes were under contract pending closing. Homebuilders within Assessment Area One include the Developer and NVR.

Land Acquisition and Finance Plan

The Developer acquired the lands within the District in October 2020 for approximately \$14,018,000. There are currently no mortgages on the lands within the District. [Land South or other mortgage?]

The Developer estimates that the cost to complete the land development associated with Assessment Area Two will be approximately [\$12.18 million]. As of [____], 2024, the Developer has spent approximately \$[____] on land development associated with Assessment Area Two. Net proceeds of the Series 2024 Bonds in the amount of approximately \$11.72 million* will be available to the District for the funding and/or acquisition of the Series 2024 Project. The Developer will enter into a

completion agreement that will obligate the Developer to complete the Series 2024 Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan and Status

Land development for Assessment Area Two [is expected to commence in June 2024] and is expected to be completed by [_____ 202_], at which point sales and vertical construction are expected to commence. A final plat for the 276 lots planned for Assessment Area Two is expected to be recorded by [_____ 202_].

Home closings with end users within Assessment Area Two are anticipated to commence by [_____ 202_]. The Developer anticipates that [_____] homes will be delivered to end users per annum until buildout, which is expected by [_____ 202_]. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Residential Product Offerings

The target customers for units within Assessment Area Two are first-time homebuyers and move-up buyers. Below is a summary of the Developer's expectations for the types of units and price points for units in Assessment Area Two.

Development Approvals

The land within Assessment Area Two is zoned to allow for the contemplated residential uses described herein. The Developer has received site development plan approval from the County for the Development, which includes certain required improvements, such as offsite operational improvements to Jones Road, that must be completed prior to the completion of Phase Two. [status?] In addition, the Developer has received an individual construction permit from the South Florida Water Management District with respect to the District Lands. The Developer has also submitted its notice of intent to use generic permit for stormwater discharge and dewatering operations, and the FDEP has verified permit coverage. [All other permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.] See "BONDOWNERS' RISKS – Environmental and Regulatory Risks" herein.

Environmental

A Phase I Environmental Site Assessment was performed in October 2020 (the "ESA"), covering the land in the Development. The ESA did not indicate the presence of any Recognized Environmental Conditions ("RECs") in connection with the Development. See "BONDOWNERS' RISK – Regulatory and

Environmental Risks" herein or more information. See "BONDOWNERS' RISKS – Environmental and Regulatory Risks" herein.

Amenities

The District will provide funding for an amenity center (the "Amenity Center") to include the following: parking area, pavilion with restroom facilities, pool, all-purpose play field, and walking trails between the phases to provide connectivity to the Amenity Center. Construction of the Amenity Center is [complete] at an approximate cost of [\$2.5] million, which is included within the Capital Improvement Plan. The Amenity Center and its appurtenant features will be available to the general public and will be owned, operated and maintained by the District.

Utilities

Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by the City of St. Cloud Utilities Department. Electric power is expected to be provided by the Orlando Utilities Commission. All utility services are available to the property.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, Series 2024 Special Assessments securing the Series 2024 Bonds will initially be levied the approximately 64.05 gross acres within Assessment Area Two. As lots are platted, the Series 2024 Special Assessments will be assigned to the 276 lots planned within Assessment Area Two on a first platted, first assigned basis a per unit basis below and as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto for more information.

Assuming full platting of Assessment Area Two, the chart below sets forth the estimated Series 2024 Special Assessments expected to be levied and allocated to platted units to pay debt service on the Series 2024 Bonds and the estimated Series 2024 Bond par per unit.

Product Type	No. of Units	Annual Series 2024 Special Assessments Per Unit*/**	Series 2024 Bonds Par Debt Per Unit*/**
Townhome	14	\$2,210	\$31,250
Single-Family 32'	70	2,947	41,667
Single-Family 50'	130	3,683	52,083
Single-Family 60'	<u>62</u>	4,420	62,500
Total	276		

* Preliminary, subject to change. Series 2024 Special Assessments collected via the Uniform Method will include a gross up to account for County collection costs/payment discounts, which may fluctuate.

** Reflects Developer contributions with respect to the townhome lots and 32' lots. See APPENDIX D hereto for more information. To achieve target assessment levels of \$836 per townhome, \$1,216 per 32' lot, \$1,900 per 50' lot, and \$2,280 per 60' lot, the Developer expects (but is not obligated) to prepay a portion of the Series 2024 Special Assessments at closing of homes with end users. The total expected prepayment is approximately \$7,140,000 (preliminary, subject to change).

The District anticipates levying assessments to cover its operation and maintenance costs that will be approximately \$[] per residential unit annually, which amount is subject to change. In addition,

residents will be required to pay homeowners' association fees, which are currently estimated to be \$[] per year per residential unit, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District in 2023 was approximately 13.9649 mills. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District, which amounts are subject to change. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Osceola County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

The public schools for children residing in the Development are expected to be [Narcoossee Elementary School, Narcoossee Middle School and Harmony High School], which are located approximately [3.8 miles, 3.7 miles and 12.9 miles] from the Development, respectively, and which were each rated B by the Florida Department of Education in 2023. The Osceola County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include [Lennar at Bridgewalk, Split Oak Estates, Lakeshore at Narcoossee, and Wiregrass by Hanover]. The information under this heading does not purport to summarize all of the existing or planned communities in the area of the Development, but rather provide a description of those that the Developer feels pose primary competition to the Development.

Developer Agreements

The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2024 Project not funded with proceeds of the Series 2024 Bonds.

In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Series 2024 Project. That said, the Developer has previously granted similar rights ("Prior Collateral Assignments") in connection with the issuance of the Series 2022 Bonds, and such rights under such Prior Collateral Assignments are superior to and may take priority over the rights granted under the Collateral Assignment. In addition, any mortgagees [or Builders] may have certain development rights and other rights assigned to it under the terms of their mortgage [or Builder Contract] relating to the Development, which may be superior to such rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2024 Special Assessments as a result of the Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits and entitlements necessary to complete the Series 2024 Project or the development of Assessment Area Two.

Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area Two increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Developer are unsecured obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPER" herein for more information regarding the Developer.

THE DEVELOPER

Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes ("Clayton Properties" or the "Developer") owns all of the land in the Development and is serving as the land developer and one of the homebuilders for the Development.

According to its website, the Developer has been in the business of building homes since 1956, and its network of builders built over 4,200 homes in 2018. Clayton Properties builds under the following names: Chaflin Communities, Goodall Homes, Summit Homes, Oakwood Homes, Harris Doyle Homes, Brohn Homes, Arbor Homes, Mungo Homes and Highland Homes. Homes in the Development will be built under the name of Highland Homes. Joel Adams, who remain involved in development operations of the Developer. Highland Homes has built more than 12,500 homes in Florida and is currently building in eight counties, encompassing some 30 communities throughout the Central Florida region. Its primary focus is on the first-time homebuyer, with a secondary focus on first- and second-time move up buyers that it addresses in most of its markets. Highland Homes closed approximately 1,673 homes in 2021 and expects to close 1,500 homes in 2022, and the Developer expects to close over 11,000 homes in 2022 across all of its brands.

Clayton Properties is wholly owned by Berkshire Hathaway, Inc. ("Berkshire Hathaway"). Berkshire Hathaway stock trades on the New York Stock Exchange under the symbols BRK.A and BRK.B. Berkshire Hathaway is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The file number for Berkshire Hathaway is No-1-14905. Such reports, proxy statements, and other information can be inspected and copied at the Public Reference Section of the SEC, Room 100 F Street, N.E., Washington, D.C. 20549 and at the SEC's internet website at <http://www.sec.gov>. Copies of such materials can be obtained by mail from the Public Reference Section of the SEC at prescribed rates. All documents subsequently filed by Berkshire Hathaway pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Neither the Developer nor any of the other individuals or entities listed above is guaranteeing payment of the Series 2024 Bonds or the Series 2024 Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2024 Bonds.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2024 Bonds in order that the interest on the

Series 2024 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2024 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2024 Bonds. The District has covenanted in the Bond Resolution to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2024 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2024 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2024 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the status of interest on the Series 2024 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2024 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2024 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2024 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2024 Bonds, or the ownership or disposition of the Series 2024 Bonds. Prospective purchasers of Series 2024 Bonds should be aware that the ownership of Series 2024 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2024 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2024 Bonds, (iii) the inclusion of the interest on the Series 2024 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2024 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2024 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2024 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2024 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and

situation of each owner of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2024 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2024 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2024 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2024 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the

excludability from gross income of interest on the Series 2024 Bonds, or adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2024 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2024 Bonds and proceeds from the sale of Series 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2024 Bonds. This withholding generally applies if the owner of Series 2024 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the Series 2024 Project funded by the Series 2024 Bonds, or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer,

broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2024 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

FINANCIAL INFORMATION

This District will covenant in the Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District fiscal year [ended September 30, 2023]. Attached hereto as APPENDIX F is a copy of the District's audited financial statements for the District's fiscal year ended September 30, [2022], as well as the District's unaudited monthly financial statements for the period ended [March 31], 2024. Such financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as public documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum. The Series 2024 Bonds are not general obligation bonds of the District and are payable solely from the Series 2024 Pledged Revenues.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

The Developer has represented in connection with the Series 2024 Bond issuance that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could

reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the development of the District Lands as described herein, materially and adversely affect the ability of the Developer to pay the Series 2024 Special Assessments imposed against the District Lands or materially and adversely affect the ability of the Developer to perform its obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Series 2024 Bonds had application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX E, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds) to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to its Series 2022 Bonds. A review of filings made pursuant to such prior undertaking indicates that certain filings required to be made by the District were not timely filed and that notice of such late filings was not provided. **AGREEMENT BY AND BETWEEN THE CROSSINGS COMMUNITY
DEVELOPMENT DISTRICT AND CLAYTON PROPERTIES GROUP, INC.,
REGARDING THE TRUE-UP AND PAYMENT OF ASSESSMENTS**

THIS AGREEMENT is made and entered into as of this _____ day of June, 2024, by and between:

CROSSINGS COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being located in Osceola County, Florida, and whose mailing address is c/o Governmental Management Services – Central Florida, LLC, 219 E. Livingston Street, Orlando, Florida 32801 (the “**District**”); and

CLAYTON PROPERTIES GROUP, INC., a Tennessee corporation d/b/a Highland Homes, the developer and owner of lands within the District, with an address of 3020 South Florida Avenue, Suite 101, Lakeland, Florida 33803 (together with its successors and assigns, the “**Landowner**”).

RECITALS

WHEREAS, the District was established by ordinance enacted by the Board of County Commissioners in and for Osceola County, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”), for the purpose of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure improvements within or without the boundary of the District; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, operating and/or maintaining certain public infrastructure, including but not limited to roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Landowner is currently the primary owner and/or developer of certain lands located in Osceola County, Florida (the “**County**”) within the boundaries of the District and generally described in the attached **Exhibit A** (the “**Landowner Lands**”); and

WHEREAS, a Final Judgment was issued on April 29, 2022, validating the authority of the District to issue up to \$35,000,000 in aggregate principal amount Crossings Community

Development District Special Assessment Bonds in one or more series (the “**Bonds**”) to finance the design, acquisition, construction, installation, of community development facilities, services and improvements within and without the boundaries of the District as authorized by the Act and Ordinance and as set forth in the District’s previously adopted *Engineer’s Report*, dated January 31, 2022, as may be amended or supplemented from time to time (the “**Master Engineer’s Report**” and the project described therein, the “**Capital Improvement Plan**”); and

WHEREAS, the District intends to issue \$14,000,000 in aggregate principal amount of Crossings Community Development District Special Assessment Bonds, Series 2024 (the “**Series 2024 Bonds**”) for the purpose of financing a portion of the Capital Improvement Plan (the “**2024 Project**”); and

WHEREAS, pursuant to District Resolution Nos. 2022-27, 2022-28, 2022-34, and 2024- (the “**Assessment Resolutions**”), the District has imposed special assessments on the Landowner Lands to secure the repayment of the Series 2024 Bonds (the “**Series 2024 Assessments**”); and

WHEREAS, Landowner agrees that all developable lands within the District benefit from the timely design, construction, or acquisition of the improvements that make up the 2024 Project; and

WHEREAS, Landowner agrees that the Series 2024 Assessments which were imposed on the Landowner Lands have been validly imposed and constitute valid, legal and binding liens upon the Landowner Lands, which Series 2024 Assessments remain unsatisfied; and

WHEREAS, to the extent permitted by law, Landowner waives any defect in notice or publication or in the proceedings to levy, impose and collect the Series 2024 Assessments on the Landowner Lands, including the levy and lien of the master assessments; and

WHEREAS, the *Master Assessment Methodology*, dated January 18, 2022, as supplemented by the *First Supplemental Assessment Methodology (2022 Project)* dated June 9, 2022, and by the *Second Supplemental Assessment Methodology (2024 Project)*, dated May 1, 2024 (together, the “**Assessment Report**”), provides that as lands within the District are platted or replatted, the allocation of the amounts assessed to and constituting a lien upon Landowner Lands will be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed within the District, which assumptions were provided by Landowner; and

WHEREAS, Landowner intends that the District will be platted, planned and developed based on then-existing market conditions, and the actual densities developed may be at some density less (or more) than the densities assumed in the Assessment Report; and

WHEREAS, the District's Assessment Report anticipates a mechanism by which certain payments will be made to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, the amount of such payments being determined generally by a calculation of the remaining unallocated debt prior to

the recording of the final plat or site plan for a parcel or tract, as described in the Assessment Report (which payments shall collectively be referenced as the “**True-Up Payment**”); and

WHEREAS, Landowner and the District desire to enter into an agreement to confirm Landowner’s intention and obligation, if required, to make or cause to be made the True-Up Payment related to the Series 2024 Assessments, subject to the terms and conditions contained herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

SECTION 1. RECITALS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. VALIDITY OF ASSESSMENTS. Landowner agrees that the Assessment Resolutions have been legally and duly adopted by the District. Landowner further agrees that the Series 2024 Assessments imposed as a lien by the District are legal, valid, and binding liens running with the land against which assessed until paid, coequal with the liens of all state, county, district, and municipal taxes, and superior in dignity to all other liens, titles, and claims. Landowner hereby waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Series 2024 Assessments.

SECTION 3. PAYMENT OF ASSESSMENTS.

- A. Landowner agrees that to the extent Landowner fails to timely pay all Series 2024 Assessments collected by mailed notice of the District, said unpaid Series 2024 Assessments (including True-Up Payments) may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year or may be foreclosed on as provided for in Florida law.
- B. Landowner agrees that the provisions of this Agreement shall constitute a covenant running with the Landowner Lands and shall remain in full force and effect and be binding upon Landowner, its legal representatives, estates, successors, grantees, and assigns until released pursuant to the terms herein.

SECTION 4. SPECIAL ASSESSMENT REALLOCATION.

- A. ***Assumptions as to the Series 2024 Assessments.*** As of the date of the execution of this Agreement, Landowner has informed the District that Landowner anticipates that a total of 130 single-family 50’ units, 62 single-family 60’ units, 70 Bungalow 32’ units, and 14 Townhome 22’ units, as more specifically described by unit size/number in the Assessment Report (“**Anticipated Lots**”), will be constructed within the District.

B. ***Process for Reallocation of Assessments.*** For unplatted tracts, the Series 2024 Assessments will initially be levied on unplatted acreage within the District and will be reallocated as lands are platted (“**Reallocate**” or “**Reallocation**”). In connection with such platting of acreage, the Series 2024 Assessments imposed on the acreage being platted will be allocated based upon the actual number of units within each product type being platted. In furtherance thereof, at such time as acreage is to be platted, Landowner covenants that such plat shall be presented to the District. The District shall allocate the Series 2024 Assessments to the residential product types being platted and any remaining property in accordance with the Assessment Report and cause such Reallocation to be recorded in the District’s Improvement Lien Book.

(i) Landowner covenants to comply, or cause others to comply, with this requirement for the Reallocation. The District agrees that no further action by the Board shall be required. The District’s review of the plats shall be limited solely to the Reallocation of Series 2024 Assessments and enforcement of the District’s assessment lien. Nothing herein shall in any way operate to or be construed as providing any other plat and plan approval or disapproval powers to the District.

(ii) The purpose of the True-Up calculation is to ensure that the debt from the Series 2024 Bonds will be able to be assigned to at least the Anticipated Lots within the Landowner Lands. Thus, at the time of platting of any portion of the Landowner Lands, or any re-platting thereof, there must be at least the number of Anticipated Lots in the Landowner Lands on which to assign the bond debt. If not, subject to (v) below, the District would require a True-Up Payment from Landowner or the person or entity seeking to file such plat in an amount sufficient to reduce the remaining bond debt to the actual number of lots platted within the Landowner Lands as in the par amount per platted lot as set forth in the Assessment Report.

(iii) The True-Up calculation shall be performed at the time the Landowner Lands are platted.

(iv) If at the time the True-Up calculation is performed, it is determined that less than the Anticipated Lots are to be platted within the Landowner Lands, a True-Up Payment shall become due and payable by Landowner. Any such True-Up Payment determined to be due by Landowner shall be paid in full prior to approval of the plat. Such True-Up Payment shall be in addition to the regular installment payable for the Landowner Lands owned by Landowner. The District will take all necessary steps to ensure that True-Up Payments are made in a timely fashion to ensure its debt service obligations are met, and in all cases, Landowner agrees that such payments shall be made in order to ensure the District’s timely payment of the debt service obligations on the Series 2024 Bonds. The District shall record all True-Up Payments in its Improvement Lien book. If such True-Up Payment is made at least forty-five (45) days prior to an interest payment date on the Series 2024 Bonds, Landowner shall include accrued interest as part of the True-Up Payment to such interest payment date. If such True-Up Payment becomes due within forty-five (45)

days of the next interest payment date, accrued interest shall be calculated to the next succeeding interest payment date.

(v) The foregoing is based on the District's understanding with Landowner that Landowner will plat or cause to be platted at least the Anticipated Lots within the Landowner Lands as identified in the Assessment Report and Engineer's Report. However, the District agrees that nothing herein prohibits more or fewer than the anticipated residential dwelling units from being platted. In the event Landowner plats fewer than the Anticipated Lots within the Landowner Lands, the Landowner may either make a True-Up Payment or leave unassigned Series 2024 Assessments on un-platted lands within the Landowner Lands, provided the maximum debt allocation per acre as set forth in the Assessment Resolutions and Assessment Report is not exceeded. In no event shall the District collect Series 2024 Assessments pursuant to the Assessment Resolutions in excess of the total debt service related to the 2024 Project, including all costs of financing and interest. The District, however, may collect Series 2024 Assessments in excess of the annual debt service related to the 2024 Project, including all costs of financing and interest, which shall be applied to prepay the Series 2024 Bonds. If the strict application of the True-Up methodology to any Reallocation for any plat pursuant to this paragraph would result in Series 2024 Assessments collected in excess of the District's total debt service obligation for the 2024 Project, the District agrees to take appropriate action by resolution to equitably Reallocate the Series 2024 Assessments.

SECTION 5. ENFORCEMENT. This Agreement is intended to be a method of enforcement of Landowner's obligation to abide by the requirements of the Reallocation of Series 2024 Assessments to platted units, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A default by either party under this Agreement shall entitle the other party to all remedies available at law or in equity, which shall include, but not be limited to, the right of actual damages (not consequential, special or punitive damages), injunctive relief, and specific performance.

SECTION 6. ASSIGNMENT.

- A. ***Agreement Runs with Land*** – This Agreement shall constitute a covenant running with title to the Landowner Lands, binding upon Landowner and its successors and assigns as to the Landowner Lands or portions thereof, and any transferee of any portion of the Landowner Lands as set forth in this Section, except as permitted by subsection 6.B., below, or subject to the conditions set forth in subsection 6.C., below.
- B. ***Exceptions*** – Landowner shall not transfer any portion of Landowner Lands to any third party without complying with the terms of subsection 6.C. herein, other than:
 - i. Platted and fully developed lots to homebuilders restricted from re-platting;
 - ii. Platted and fully developed lots to end users; and

- iii. Portions of Landowner Lands which are exempt from assessments to the County, the District, a homeowners' association, or other governmental agencies.
- iv. Any transfer of any portion of Landowner Lands pursuant to subsections (i), (ii) or (iii) listed above shall constitute an automatic release of such portion of Landowner Lands from the scope and effect of this Agreement, provided however that any True-Up Payment owing is paid prior to such transfer.

C. **Transfer Conditions** – Landowner shall not transfer any portion of the Landowner Lands to any third party, except as permitted by Section 6.B. above, without satisfying the following condition (“**Transfer Condition**”): delivering a recorded copy of this Agreement to such third party and satisfying any True-Up Payment that results from any true-up determinations made by the District incident to such transfer. Any transfer that is consummated pursuant to this Section shall operate as a release of Landowner from its obligations under this Agreement as to such portion of the Landowner Lands only arising from and after the date of such transfer and satisfaction of the Transfer Condition including payment of any True-Up Payments due, and the transferee, which by recording or causing to be recorded in the Official Records of the County, the deed transferring such portion to the transferee shall be deemed to assume Landowner’s obligations in accordance herewith and shall be deemed the “Landowner” from and after such transfer for all purposes as to such portion of the Landowner Lands so transferred. Regardless of whether the conditions of this subsection are met, any transferee, other than those specified in subsection 6.B. herein, shall take title subject to the terms of this Agreement.

SECTION 7. RECOVERY OF COSTS AND FEES. In the event either party is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys’ fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 8. NOTICE. All notices, requests, consents, and other communications hereunder (the “**Notices**”) shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or telecopied or hand delivered to the parties, as follows:

If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the parties may deliver Notice on behalf of the parties. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name, address or telecopy number to which Notices shall be sent by providing the same on five (5) days' written notice to the parties and addressees set forth herein.

Notwithstanding the foregoing, to the extent Florida law requires notice to enforce the collection of assessments placed on property by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

SECTION 9. AMENDMENT. This Agreement shall constitute the entire agreement between the parties as to the matters set forth herein and may be modified in writing only by the mutual agreement of the parties and with the prior written consent of the Trustee of the Series 2024 Bonds, acting at the direction of the Bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

SECTION 10. TERMINATION. This Agreement shall continue in effect until it is rescinded in writing by the mutual assent of the parties, or until the earlier of the date on which the Series 2024 Assessments are fully allocated to platted units. In any event, this Agreement shall be deemed terminated automatically as to any lot sold to an end-user. This Agreement shall also be deemed terminated automatically on the Landowner Lands or portion of the Landowner Lands reflected in a Release of Lien as recorded by the District, so long as conditions for such recorded release are met and are consistent with the terms of this Agreement.

SECTION 11. NEGOTIATION AT ARM'S LENGTH. This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute

concerning the interpretation of any provision of this Agreement, the parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either party.

SECTION 13. BENEFICIARIES. Except as provided below, this Agreement is solely for the benefit of the formal parties herein, and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Except as provided below, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person, corporation, or entity other than the parties hereto any right, remedy, or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants, and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors, and assigns. Notwithstanding the foregoing, the Trustee for the Series 2024 Bonds, on behalf of the Majority Owners (as defined in the Second Supplemental Trust Indenture, dated as of [REDACTED], 2024) of the Series 2024 Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to cause the District to enforce the Landowner's obligations hereunder. The Trustee has not assumed any obligations hereunder.

SECTION 14. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute or law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 15. APPLICABLE LAW AND VENUE. This Agreement shall be governed by the laws of the State of Florida. The parties agree and consent that proper venue for any dispute arising out of this Agreement, whether in or out of court, shall be in Osceola County, Florida.

SECTION 16. EXECUTION IN COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

SECTION 17. EFFECTIVE DATE. This Agreement shall become effective after execution by the parties hereto on the date reflected above.

WHEREAS, the District has adopted an improvement plan for the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities and services within and without the boundaries of the District, which plan is detailed in its *Engineer’s Report*, dated January 31, 2022, as may be amended or supplemented from time to time (the “**Master Engineer’s Report**,” and the improvements described therein, the “**Capital Improvement Plan**”); and

WHEREAS, the Capital Improvement Plan is estimated to cost a total amount of approximately \$26,783,213.60; and

WHEREAS, a Final Judgment was issued on April 29, 2022, validating the authority of the District to issue up to \$35,000,000 in aggregate principal amount Crossings Community Development District Special Assessment Bonds to finance certain improvements and facilities within and without the District boundaries; and

WHEREAS, the District is presently in the process of issuing \$14,000,000 of Crossings Community Development District Special Assessment Bonds, Series 2024 (“**Series 2024 Bonds**”) to finance a portion of the design, construction or acquisition of the Capital Improvement Plan (in connection with the issuance of the Series 2024 Bonds, the Capital Improvement Plan is referred to as the “**2024 Project**”); and

WHEREAS, the Capital Improvement Plan, including the 2024 Project, will benefit the District Lands, as further described in the District’s *Master Special Assessment Methodology Report*, dated January 18, 2022 (“**Master Assessment Report**”), as supplemented by that certain *First Supplemental Assessment Methodology (2022 Project)*, dated June 9, 2022, and that certain *Second Supplemental Assessment Methodology (2024 Project)*, dated May 1, 2024 (the “**Supplemental Assessment Reports**” together with the Master Assessment Report, the “**Assessment Report**”); and

WHEREAS, the District has taken the steps necessary to impose special assessments upon the benefitted lands within the District pursuant to Chapters 170, 190 and 197, *Florida Statutes*, as security for the Series 2024 Bonds; and

WHEREAS, the District's special assessments securing the Series 2024 Bonds (“**Series 2024 Assessments**”) will be imposed on all lands within the District as more specifically described in Resolutions 2022-27, 2022-28, 2022-34, 2022-41, and 2024- (collectively, “**Assessment Resolutions**”); and

WHEREAS, Assignor has acquired, or hereafter may acquire, certain rights (“**Development and Contract Rights**”) in, to, under, or by virtue of certain contracts, agreements, and other documents, which now or hereafter affect the Landowner Lands or the Capital Improvement Plan (collectively, “**Contract Documents**”); and

WHEREAS, the District and the Landowner anticipate development of the Landowner Lands, and the allocation of Series 2024 Assessments thereon, consistent with the Master Engineer’s Report and the Assessment Report until such time as the final platting of the Landowner Lands (and the payment of any true-up amounts due and securing the Series 2024 Bonds) is completed (“**Development Completion**”); and

WHEREAS, in the event of default in the payment of the Series 2024 Assessments securing the Series 2024 Bonds, the District has certain remedies with respect to the lien of the Series 2024 Assessments as more particularly set forth herein, including certain foreclosure rights provided by Florida law (“**Remedial Rights**”); and

WHEREAS, as inducement to the District to issue the Series 2024 Bonds, it is necessary to require the collateral assignment of the Development and Contract Rights for the Landowner

Lands to complete the Capital Improvement Plan as anticipated by and at substantially the densities and intensities envisioned in the Master Engineer's Report and the Assessment Report; and

WHEREAS, this Assignment is not intended to impair or interfere with the development of the Capital Improvement Plan, including the 2024 Project, as anticipated by and at substantially the densities and intensities envisioned in the Master Engineer's Report and the Assessment Report and shall only be inchoate and shall become an effective and absolute assignment and assumption of the Development and Contract Rights upon failure of the Assignor to pay the Series 2024 Assessments levied against the Landowner Lands owned by the Assignor; provided, however, that such assignment shall only be effective and absolute to the extent that this Assignment has not been terminated earlier pursuant to the term of this Assignment; and

WHEREAS, in the event of a transfer, conveyance or sale of any portion of the Landowner Lands, successors-in-interest (including successors in interest that are affiliates of Landowner) to the Landowner's Lands shall be subject to this Assignment, which shall be recorded in the Official Records of Osceola County, Florida, except as to Prior Transfers (defined below); and

WHEREAS, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the Capital Improvement Plan, including the 2024 Project; and

WHEREAS, absent this Assignment becoming effective and absolute, it shall automatically terminate upon the occurrence of certain events described herein.

NOW, THEREFORE, in consideration of the above recitals which the parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor and Assignee agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated as a material part of this Assignment.

2. COLLATERAL ASSIGNMENT.

(a) In the event of Assignor's default in the payment of the Series 2024 Assessments securing the Series 2024 Bonds, the Assignee shall be entitled to exercise its Remedial Rights to secure control and/or title to the Landowner Lands. Such exercise of Remedial Rights by Assignee may include foreclosure proceedings, acceptance of a deed in lieu of foreclosure and the establishment of a special-purpose entity to hold title to the Landowner Lands, as designee of the Assignee. The Assignor hereby agrees to unconditionally collaterally assign to Assignee or its designee, to the extent assignable, and to the extent that they are owned or controlled by Assignor, all of its Development and Contract Rights as security for Assignor's payment and performance and discharge of its obligation to pay the Series 2024 Assessments levied against the Landowner Lands. Notwithstanding any contrary terms in this Assignment: the Development and Contract Rights exclude (x) any portion of the Development and Contract Rights which relates solely to lots which have been conveyed to end-users effective as of such conveyance, and (y) any portion of the Development and Contract Rights which relates solely to any portion of the Landowner Lands which has been transferred, dedicated and/or conveyed, or

is in the future conveyed, to Osceola County, Florida, Assignee, any utility provider, any governmental or quasi-governmental entity, any applicable homeowner's or property owner's association, or any other governing entity or association as may be required by the applicable permits, approvals, entitlements or regulations affecting the District, if any, and the Development and Contract Rights, in each case effective as of such transfer, conveyance and/or dedication, as applicable (each a "**Prior Transfer**"). Subject to the foregoing, the Development and Contract Rights shall include the items listed in subsections (i) through (ix), but not be limited to, the following:

- i. Any declaration of covenants of a homeowner's association governing the Landowner Lands, as recorded in the Official Records of Osceola County, Florida, and as the same may be amended and restated from time to time, including, without limitation, all of the right, title, interest, powers, privileges, benefits and options of the "Landowner" or "Declarant" thereunder.
- ii. Engineering and construction plans and specifications for grading, traffic capacity analyses, roadways, site drainage, storm water drainage, signage, water distribution, waste water collection, and other improvements to or affecting the Landowner Lands.
- iii. Preliminary and final plats and/or site plans for the Landowner Lands.
- iv. Architectural plans and specifications for buildings and other improvements to the Landowner Lands, other than those associated with homebuilding and home construction.
- v. Permits, approvals, agreements, resolutions, variances, licenses, and franchises and applications therefor whether approved or in process pending before or granted by governmental authorities, or any of their respective agencies, for or affecting the development of the Landowner Lands and construction of improvements thereon.
- vi. Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the development of the Landowner Lands or the construction of improvements thereon, together with all warranties, guaranties and indemnities of any kind or nature associated therewith.
- vii. Franchise or other agreements for the provision of water and wastewater service to the Landowner Lands, and all hookup fees and utility deposits paid by Assignor in connection therewith.
- viii. Permit fees, impact fees, deposits and other assessments and impositions paid by Assignor to any governmental authority or utility and capacity reservations, impact fee credits and other credits due to Assignor from any governmental authority or utility provider, including credit for any dedication or contribution of Landowner Lands by Assignor in connection with the development of the Landowner Lands or the construction of

improvements thereon.

- ix. All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing and any guarantees of performance of obligations to Assignor arising thereunder by any means, including, but not limited to, pursuant to governmental requirements, administrative or formal action by third parties, or written agreement with governmental authorities or third parties.

(b) This Assignment is not intended to and shall not impair or interfere with the development of the District, and shall only be inchoate and shall become an effective and absolute assignment and assumption of the Development and Contract Rights upon failure of the Assignor to pay the Series 2024 Assessments levied against the Landowner Lands owned by the Assignor, if such failure remains uncured after passage of any applicable cure period; provided, however, that such assignment shall only be effective and absolute to the extent that this Assignment has not been terminated earlier pursuant to the term of this Assignment. Further, this Assignment is not intended to restrict nor shall it be construed as restricting Assignor's ability to assign Development and Contract Rights in the ordinary course of business, and the Assignor expressly retains the right and a license to use, enforce, sue upon, make claim under and upon and otherwise exercise all rights and remedies of the Assignor related to or arising from the Development and Contract Rights in the event an assignment of Development and Contract Rights under this Assignment becomes effective. However, to the extent the Landowner's exercise of rights set forth above causes the District to incur any cost, the Landowner agrees to pay such cost. Moreover, the Landowner agrees not to exercise any rights provided for herein in a manner adverse to the District's interests.

(c) If this Assignment has not become absolute, any portion not previously terminated and/or property released in connection with a Prior Transfer shall automatically terminate upon the earliest to occur of the following events (herein, the "**Term**"): (i) payment of the Series 2024 Bonds in full; and (ii) Development Completion. At Landowner's request and the District's confirmation that the provisions of the foregoing have been satisfied, District and Landowner will record a notice or other appropriate instrument in the Public Records of Osceola County, Florida, confirming the end of the Term. Without limiting the foregoing, upon a Prior Transfer, the portion of the Landowner Lands so transferred shall be deemed released automatically from the terms, scope and encumbrance of this Assignment whether or not the Term has expired as to any other portion of the Landowner Lands and without any written release or certification being required from the District or any other person or entity, and any transferee and title examiner may rely on the foregoing automatic release in insuring title to such portion of the Landowner Lands so transferred without making exception for this Assignment.

3. ASSIGNOR WARRANTIES. Assignor represents and warrants to Assignee that:

(a) Other than in connection with the sale of lots to end users located within Landowner Lands and in the ordinary course of business, Assignor has made no assignment of the Development and Contract Rights to any person other than Assignee.

(b) To the actual knowledge of Assignor and except as permitted or stated herein, Assignor has not done any act or omitted to do any act which will prevent Assignee from, or limit Assignee in, acting under any of the provisions hereof.

(c) To the actual knowledge of Assignor, there is no material default under the terms of the existing Contract Documents and all such Contract Documents remain in full force and effect.

(d) Assignor is not prohibited under agreement with any other person or under any judgment or decree from the execution, delivery and performance of this Assignment.

(e) No action has been brought or threatened which would in any way interfere with the right of Assignor to execute this Assignment and perform all of Assignor's obligations herein contained.

(f) Any transfer, conveyance or sale of the Landowner Lands, shall subject any and all affiliated entities or successors-in-interest of the Landowner to this Assignment (including successors-in-interest that are affiliates of Landowner), except to the extent constituting a Prior Transfer.

4. ASSIGNOR COVENANTS. Assignor covenants with Assignee that during the Term:

(a) Assignor will use commercially reasonable efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of Assignor relating to the Development and Contract Rights, including, but not limited to, any material changes in the Development and Contract Rights; and (ii) give notice to Assignee of any claim of material default relating to the Development and Contract Rights given to or by Assignor, together with a complete copy of any such claim.

(b) In the event of the institution of any involuntary bankruptcy, reorganization or insolvency proceedings against the Assignor or the appointment of a receiver or a similar official with respect to all or a substantial part of the properties of the Assignor, Assignor shall endeavor in good faith to have such proceedings dismissed or such appointment vacated within a period of one hundred twenty (120) days.

5. ASSIGNEE OBLIGATIONS. Nothing herein shall be construed as an obligation on the part of the Assignee to accept any liability for all or any portion of the Development and Contract Rights unless it chooses to do so in its sole discretion. Nor shall any provision hereunder be construed to place any liability or obligation on Assignee for compliance with the terms and provisions of all or any portion of the Development and Contract Rights.

6. EVENT(S) OF DEFAULT. Any material breach of the Assignor's warranties contained in Section 3 hereof or breach of covenants contained in Section 4 hereof, shall, after the

giving of notice and after failure to cure within a reasonable cure period in light of the default (which cure period shall not be less than sixty (60) days (and shall not be construed to extend any other cure periods provided hereunder) unless Assignee, in its sole discretion, agrees to a longer cure period) constitute an Event of Default (“**Event of Default**”). Additionally, the failure to timely pay the Series 2024 Assessments levied and imposed upon Landowner Lands owned by Assignor shall constitute an Event of Default.

7. REMEDIES UPON EVENT OF DEFAULT. Upon an Event of Default, Assignee or Assignee’s designee may, as Assignee’s sole and exclusive remedies under this Assignment (and separate and apart from any Remedial Rights or other rights provided by law), take any or all of the following actions, at Assignee’s option:

(a) Perform any and all obligations of Assignor relating to the Development and Contract Rights and exercise any and all rights of Assignor therein as fully as Assignor could;

(b) Initiate, appear in, or defend any action arising out of or affecting the Development and Contract Rights;

(c) Sue for, or otherwise collect and receive, monies due under the Contract Documents, including those past due and unpaid, and apply the same against all costs and expenses of collection and then against all costs and expenses of operation of the Landowner Lands or the performance of Assignor’s obligations under the Contract Documents. Neither entry upon and taking possession of the Landowner Lands nor the collection of monies due under the Contract Documents shall in any way operate to cure or waive any default under any instrument given by Assignor to Assignee, or prohibit the taking of any other action by Assignee under any such instrument, or at law or in equity, to enforce payment of the obligations secured hereby or to realize on any other security; and/or

(d) Demand, effective upon the occurrence of an Event of Default, and after Assignor’s receipt of a demand notice from Assignee following an Event of Default, that Assignor use commercially reasonable efforts: (i) at the sole cost and expense of Assignor, to enforce the performance and observance of each and every material covenant and condition of the Contract Documents to be performed or observed; and (ii) appear in and defend any action involving the Contract Documents or the obligations or liabilities of Assignor or any guarantor thereunder. Also to be effective upon the occurrence of an Event of Default, and after Assignor’s receipt of a demand notice from following an Event of Default, Assignor will neither modify the terms of the Contract Documents in any material respect (unless required so to do by the terms thereof or to comply with documents executed in connection with the issuance of the Series 2024 Bonds) nor waive or release any third party from the performance of any obligation to be performed or liability assumed under the terms of the Contract Documents or from liability on account of any warranty given by such third party, without the prior consent of Assignee, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, Assignor will not at any time knowingly take any action (or omit to take any action) with respect to the Development and Contract Rights that materially and adversely affect the rights of the District or the District’s bondholders.

8. AUTHORIZATION OF PERFORMANCE. Upon the occurrence and during the continuation of an Event of Default, Assignor does hereby authorize and shall direct any party to any agreement relating to the Development and Contract Rights to tender performance thereunder to Assignee upon written notice and request from Assignee. Any such performance in favor of Assignee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to Assignor.

9. SECURITY AGREEMENT. Subject to the terms of this Assignment, this Assignment shall be a security agreement between Assignor, as the debtor, and Assignee, as the secured party, covering the Development and Contract Rights and Contract Documents that constitute personal property governed by the Florida Uniform Commercial Code (“**Code**”), and Assignor grants to Assignee a security interest in such Development and Contract Rights and Contract Documents. Notwithstanding the foregoing, Assignee shall not be entitled to exercise any right as a secured party, including, without limitation, the filing of any and all financing statements, until the occurrence of an Event of Default hereunder, subject to any applicable notice and cure period.

10. SUCCESSORS; THIRD-PARTY BENEFICIARIES. This Assignment is solely for the benefit of the District and the Landowner and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Assignment. Nothing in this Assignment expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Landowner any right, remedy, or claim under or by reason of this Assignment or any of the provisions or conditions of this Assignment; and all of the provisions, representations, covenants, and conditions contained in this Assignment shall inure to the sole benefit of and shall be binding upon the District and the Landowner and their respective representatives, successors, and assigns, subject to the provisions hereof regarding the automatic release of portions of the Landowner Lands herefrom upon a Prior Transfer.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Holders of the Series 2024 Bonds, shall have the right to directly enforce the provisions of this Assignment. The Trustee shall not be deemed to have assumed any obligations under this Assignment. This Assignment may not be assigned or materially amended without the consent of the Trustee, acting at the direction of the Majority Holders of the Series 2024 Bonds, which consent shall not be unreasonably withheld.

11. ENFORCEMENT. In the event that either party is required to enforce this Assignment by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys’ fees and costs for trial, alternative dispute resolution, or appellate proceedings.

12. AMENDMENTS. Amendments to and waivers of the provisions contained in this Assignment may be made only by an instrument in writing which is executed by both the District and the Landowner.

13. AUTHORIZATION OF EXECUTION. The execution of this Assignment has been duly authorized by the appropriate body or official of the District and the Landowner; both the District and the Landowner have complied with all the requirements of law with respect to the

execution of this Assignment; and both the District and the Landowner have full power and authority to comply with the terms and provisions of this instrument.

**AGREEMENT BETWEEN THE CROSSINGS COMMUNITY DEVELOPMENT
DISTRICT AND CLAYTON PROPERTIES GROUP, INC.,
REGARDING THE COMPLETION OF DISTRICT IMPROVEMENTS**

THIS COMPLETION AGREEMENT (the “**Agreement**”) is made and entered into this ____ day of June, 2024, by and between:

Crossings Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, being located in Osceola County, Florida, and whose mailing address is c/o Governmental Management Services – Central Florida, LLC, 219 E. Livingston Street, Orlando, Florida 32801 (the “**District**”); and

RECITALS

WHEREAS, the District was established by ordinance adopted by the Board of County Commissioners in and for Osceola County, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”), for the purpose of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure improvements within or without the boundary of the District; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, operating and/or maintaining certain public infrastructure, including but not limited to roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Landowner is currently the owner of certain lands in Osceola County, Florida, located within the boundaries of the District as described in **Exhibit A** (the “**Landowner Lands**”) which is attached hereto and incorporated by reference; and

WHEREAS, the District has adopted an improvement plan for the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities and services within and without the boundaries of the District, which plan is detailed in the *Engineer’s Report*, dated January 31, 2022, as may be amended or supplemented from time to time (the “**Master Engineer’s Report**” and the plan described therein, the “**Capital Improvement Plan**”); and

WHEREAS, the total cost of the Capital Improvement Plan is estimated to be approximately \$26,783,213.60; and

WHEREAS, a Final Judgment was issued on April 29, 2022, validating the authority of the District to issue up to \$35,000,000 in aggregate principal amount of Crossings Community Development District Special Assessment Bonds to finance certain improvements and facilities within and without the District boundaries; and

WHEREAS, the District is presently in the process of issuing its \$14,000,000 Crossings Community Development District Special Assessment Bonds, Series 2024 (the “**Series 2024 Bonds**”) to finance a portion of the Capital Improvement Plan (as it relates to the Series 2024 Bonds, the Capital Improvement Plan is known as the “**2024 Project**”); and

WHEREAS, the Capital Improvement Plan, including the 2024 Project, will benefit all lands within the District, as described in the District’s *Master Assessment Methodology*, dated January 18, 2022, as supplemented by that certain *First Supplemental Assessment Methodology (2022 Project)*, dated June 9, 2022, and that certain *Second Supplemental Assessment Methodology (2024 Project)*, dated May 1, 2024 (together, the “**Assessment Report**”) as well as the Master Engineer’s Report; and

WHEREAS, in order to ensure that the Capital Improvement Plan is completed and funding is available in a timely manner to provide for completion, the Landowner will make provision for any additional funds that may be needed in the future for the completion of the Capital Improvement Plan over and above the Series 2024 Bonds, including, but not limited to, all reasonable and customary administrative, legal, warranty, engineering, permitting or other related soft costs.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the District and the Landowner agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and are incorporated herein by this reference as a material part of this Agreement.

2. COMPLETION OF CAPITAL IMPROVEMENT PLAN. The Landowner and District agree and acknowledge that the District’s proposed Series 2024 Bonds will provide only a portion of the funds necessary to complete the Capital Improvement Plan. Therefore, as more particularly set forth in paragraphs 2(a) and 2(b) below, the Landowner hereby agrees to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the Capital Improvement Plan which remain unfunded including, but not limited to, all reasonable and customary administrative, legal, warranty, engineering, permitting or other related soft costs (“**Remaining Project**”) whether pursuant to existing contracts, including change orders thereto, or future contracts. While it is anticipated the District will issue a second series of bonds for purposes of financing a portion of the Remaining Project, nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Project nor shall anything in this Agreement be construed as prohibiting the District from doing so in the future. The District and Landowner hereby acknowledge and agree that the District’s execution of this Agreement constitutes the manner and means by which the District has

elected to provide any and all portions of the Remaining Project not funded by District bonds or other indebtedness.

(a) When all or any portion of the Remaining Project is the subject of a District contract, the Landowner shall provide funds or cause funds to be provided directly to the District in an amount sufficient to complete the Remaining Project under such contract pursuant thereto, including change orders thereto, upon written notice from the District.

(b) When any portion of the Remaining Project is not the subject of a District contract, the Landowner may choose to: (i) complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed the Remaining Project; or (ii) have the District enter into a contract and proceed under Section 2(a) above, subject, in each case to a formal determination by the District's Board of Supervisors that the option selected by the Landowner will not adversely impact the District, and is in the District's best interests.

(c) Future Bonds – The parties agree that any funds provided by Landowner to fund the Remaining Project may be later payable from, and the District's acquisition of the Remaining Project may be payable from, the proceeds of a future issuance of bonds by the District (i.e., other than the Series 2024 Bonds). Within forty-five (45) days of receipt of sufficient funds by the District for the District's improvements and facilities and from the issuance of such future bonds, the District shall reimburse Landowner in full, exclusive of interest, for the funds and/or improvements provided pursuant to this Agreement; provided, however, that no such obligation shall exist where the Landowner is in default on the payment of any debt service assessments due on any property owned by the Landowner, and, further, in the event the District's bond counsel determines that any such monies advanced or expenses incurred are not properly reimbursable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to reimburse such monies advanced or expenses incurred. Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness – other than the Series 2024 Bonds – to provide funds for any portion of the Remaining Project. The Landowner shall be required to meet its obligations hereunder and complete the Capital Improvement Plan regardless of whether the District issues any future bonds (other than the Series 2024 Bonds) or otherwise pays the Landowner for any of the Remaining Project. Interest shall not accrue on any amounts owed hereunder. If within five (5) years of the date of this Agreement, the District does not or cannot issue such future bonds, and, thus does not reimburse the Landowner for the funds or improvements advanced hereunder, then the parties agree that the District shall have no reimbursement obligation whatsoever. Notwithstanding the foregoing, the Landowner acknowledges that at this time the District does not intend to issue additional bonds to finance the Remaining Project.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS

(a) The District and the Landowner agree and acknowledge that the exact location, size, configuration and composition of the Capital Improvement Plan may change

from that described in the Master Engineer's Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Capital Improvement Plan shall be made by a written amendment to the Master Engineer's Report, which shall include an estimate of the cost of the changes. Material changes to the Capital Improvement Plan shall require the prior written consent of the Trustee acting at the direction of the bondholders holding a majority of the aggregate principal amount of the bonds then outstanding; however such consent is not necessary when the scope, configuration, size and/or composition of the improvements making up the Capital Improvement Plan are materially changed in response to a requirement imposed by a regulatory agency.

(b) The District and Landowner agree and acknowledge that any and all portions of the Remaining Project which are constructed, or caused to be constructed, by the Landowner shall be conveyed to the District or such other appropriate unit of local government or public utility as is designated in the Master Engineer's Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government.

(c) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by Landowner of its obligations hereunder is expressly subject to, dependent and conditioned upon: (a) the issuance of the Series 2024 Bonds and use of the proceeds thereof to fund a portion of the Capital Improvement Plan, and (b) the scope, configuration, size and/or composition of the Capital Improvement Plan not materially changing without the consent of the Landowner; however, such consent is not necessary and the Landowner must meet its completion obligations when the scope, configuration, size and/or composition of the improvements that make up the Capital Improvement Plan are materially changed in response to a requirement imposed by a regulatory agency. In the event of a material change to the scope, configuration, size and/or composition of the Capital Improvement Plan in response to a requirement imposed by a regulatory agency, the Landowner shall not consent to such material change without the prior written consent of the District.

4. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages (excluding punitive, special or consequential damages) and/or specific performance.

5. ENFORCEMENT OF AGREEMENT. In the event that either of the parties is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. **AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Landowner.

7. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Landowner, both the District and the Landowner have complied with all the requirements of law, and both the District and the Landowner have full power and authority to comply with the terms and provisions of this instrument.

7. **NOTICES.** All notices, requests, consents and other communications under this Agreement (the “**Notices**”) shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the parties, as follows:

8. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Landowner as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Landowner.

10. THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Landowner and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Landowner any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Landowner and their respective representatives, successors, and assigns.

Notwithstanding anything in this Agreement to the contrary, the Trustee for the Series 2024 Bonds shall be a direct third-party beneficiary of the terms and conditions of this Agreement and, acting at the direction of and on behalf of the bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds outstanding, shall be entitled to cause the District to enforce the Landowner's obligations hereunder. The Trustee shall not be deemed to have assumed any obligations under this Agreement.

11. ASSIGNMENT. Neither the District nor the Landowner may assign this Agreement or any monies to become due hereunder without the prior written approval of the other; provided that such consent shall not be unreasonably withheld by the District in the event of a sale of the majority of the Landowner Lands then owned by the Landowner pursuant to which the unaffiliated purchaser agrees to assume any remaining obligations of the Landowner under this Agreement.

12. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in Osceola County, Florida.

13. EFFECTIVE DATE. This Agreement shall be effective upon the later of the execution by the District and the Landowner.

14. PUBLIC RECORDS. The Landowner understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

15. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

16. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

17. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

18. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

19. TERMINATION. This Agreement shall continue in effect until completion of the Remaining Project, as evidenced by a Notice of Completion from the District Engineer.

SECTION D

**AGREEMENT BY AND BETWEEN THE CROSSINGS COMMUNITY
DEVELOPMENT DISTRICT AND CLAYTON PROPERTIES GROUP, INC.,
REGARDING THE ACQUISITION OF WORK PRODUCT,
IMPROVEMENTS, AND REAL PROPERTY**

(2024 PROJECT, SERIES 2024)

THIS AGREEMENT (“Agreement”) is made and entered into this ____ day of June, 2024, by and between:

CROSSINGS COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in Osceola County, Florida, with a mailing address of 219 East Livingston Street, Orlando, Florida 32801 (the “District”); and

CLAYTON PROPERTIES, GROUP, INC., a Tennessee corporation d/b/a/ Highland Homes, the developer and owner of certain lands within the District, with a mailing address of 3020 South Florida Avenue, Suite 101, Lakeland, Florida 33803, and its successors and assigns (the “Developer” and, together with the District, the “Parties”).

RECITALS

WHEREAS, the District was established for the purposes of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure, as authorized by Chapter 190, *Florida Statutes*; and

WHEREAS, the District has adopted an improvement plan for the planning, design, acquisition, construction, and installation of various infrastructure improvements, facilities, and services (the “Improvements”) within and adjacent to the District, and the anticipated cost thereof, as described in that certain *Engineer’s Report*, dated January 31, 2022, as may be amended or supplemented from time to time (the “Engineer’s Report”), attached hereto as **Exhibit A** and incorporated herein by reference; and

WHEREAS, the Developer is the owner and/or developer of certain lands located within the boundaries of the District identified in the Engineer’s Report and further described in **Exhibit B** within which a portion of the District Improvements will be located (the “2024 Project”); and

WHEREAS, the District intends to finance all or a portion of the Improvements through the anticipated issuance of its \$14,000,000.00 Crossings Community Development District Special Assessment Bonds, Series 2024 (2024 Project) (the “2024 Project Bonds”); and

WHEREAS, because the 2024 Project Bonds have not yet been issued, the District has not had sufficient monies on hand to allow the District to fund the cost of preparation of the necessary surveys, reports, drawings, plans, permits, specifications, and related documents which would

allow the timely commencement and completion of construction of the Improvements (the “Work Product”); and

WHEREAS, the District acknowledges the Developer’s need to have the Improvements constructed in an expeditious and timely manner in order to develop the District lands including the lands encompassing the 2024 Project; and

WHEREAS, the District agrees that it will not have sufficient monies to proceed with either the preparation of the Work Product or the commencement of construction of the Improvements described in **Exhibit A** until such time as the District has closed on the sale of the 2024 Project Bonds; and

WHEREAS, to avoid a delay in the commencement of the construction of the Improvements, the Developer has advanced, funded, commenced, and completed and/or will complete certain work to enable the District to expeditiously provide the Improvements; and

WHEREAS, the District desires to commence the acquisition of certain Work Product and the Improvements, and accept assignment of certain agreements regarding the same; and

WHEREAS, in conjunction with the acquisition of the Work Product and/or Improvements, the Developer desires to convey to the District interests in real property sufficient to allow the District to own, operate, maintain, construct, or install the Improvements, if any such conveyances are appropriate, and such conveyances shall be in fee simple, perpetual easement, or other interest as may be in the best interests of the District (the “Real Property”); and

WHEREAS, the Developer and the District desire to enter into this Agreement to set forth the process by which the District may acquire the Work Product, Improvements, and/or Real Property.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the District and the Developer agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

SECTION 2. WORK PRODUCT. The District agrees to pay the lesser of actual cost incurred by the Developer or fair market value, for preparation of the Work Product in accordance with the provisions of this Agreement. The Developer shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Developer for the Work Product. The Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date as the Parties may jointly agree upon (the “Acquisition Date”). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement. The District Engineer shall review all evidence of cost and shall certify to the District’s Board of Supervisors (the “Board”) the total actual amount of cost, which, in the District Engineer’s sole opinion, is

reasonable for the Work Product. The District Engineer's opinion as to cost shall be set forth in an Engineer's Certificate which shall accompany the requisition for the funds from the trustee for the 2024 Project Bonds ("Trustee"). In the event that the Developer disputes the District Engineer's opinion as to cost, the District and the Developer agree to use good faith efforts to resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third-party engineer whose decision as to any such dispute shall be binding upon the Parties. Such decision by a third-party engineer shall be set forth in an Engineer's Affidavit which shall accompany the requisition for the funds from the Trustee. The Parties acknowledge that the Work Product is being acquired for use by the District in connection with the construction of the Improvements.

A. The Developer agrees to convey to the District, and solely to the extent permitted by the terms of the Work Product, the Work Product upon payment of the sums determined to be acceptable by the District Engineer and approved by the District's Board pursuant to and as set forth in this Agreement.

B. The Developer agrees to release to the District all right, title, and interest which the Developer may have in and to the above described Work Product, as well as all common law, statutory, and other reserved rights, including all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised; provided, however, that the District agrees and acknowledges that the Developer shall retain the right, title and interest to use the Work Product, and the District shall grant the Developer a license to use the Work Product to the extent reasonably required by the Developer in connection with the ownership, construction, development, and management of the Assessment Area One Project or other lands owned by Developer to which such Work Product pertains. To the extent determined necessary by the District, the Developer shall use commercially reasonable efforts to obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services.

C. Except as otherwise separately agreed by the Parties with respect to any particular acquisition of Work Product, and without intending to modify any of the other terms of this Agreement, any conveyance of Work Product shall be on an "AS-IS" basis, and without any representation or warranty from the Developer to the District in respect thereto.

D. The Developer agrees to make reasonable good faith efforts, but without imposing any requirement on Developer to pay for additional warranty rights on behalf of the District, to provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable to the mutual satisfaction of the Parties hereto, a warranty that the Work Product is fit for the purposes to which it will be put by the District, as contemplated by the Engineer's Report.

E. The District agrees to allow the Developer access to and use of the Work Product without the payment of any fee by the Developer. However, to the extent the Developer's access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Developer agrees to pay such cost or expense.

SECTION 3. IMPROVEMENTS. The Developer has expended certain funds on behalf of the District relating to the Improvements. The District agrees to acquire or otherwise reimburse the Developer for those portions of the Improvements which have been commenced or completed prior to the issuance of the 2024 Project Bonds. When a portion of the Improvements is ready for conveyance by the Developer to the District, the Developer shall notify the District in writing, describing the nature of the improvement, its general location, and its estimated cost. Developer agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid; (ii) instruments of conveyance such as special warranty bills of sale or such other instruments as may be reasonably requested by the District; and (iii) any other releases, indemnifications, or documentation as may be reasonably requested by the District. Any real property interests necessary for the functioning of the Improvements to be acquired under this paragraph shall be reviewed and conveyed in accordance with the provisions of Section 5 herein. The District Engineer in consultation with District Counsel shall determine in writing whether the infrastructure to be conveyed is a part of the Improvements contemplated by the Engineer's Report, and if so, shall provide Developer with a list of items necessary to complete the acquisition. Each such acquisition shall also be subject to the engineering review and certification process described in Section 2 above. The District Manager shall determine, in writing, whether the District has, based on the Developer's estimate of cost, sufficient unencumbered funds to acquire the improvement.

A. All documentation of any acquisition (e.g., bills of sale, receipts, maintenance bonds, as-builts, evidence of costs, deeds or easements, etc.) shall be to the reasonable satisfaction of the District. If any item acquired is to be conveyed to a third-party governmental entity, then the Developer agrees to cooperate and provide such certifications, warranties, representations or other items as may be required by that governmental entity, if any.

B. The District Engineer shall certify as to the actual cost of any improvement built or constructed by or at the direction of the Developer, and the District shall pay no more than the actual cost incurred, or the fair market value of the improvement, whichever is less, as determined by the District Engineer.

C. The Developer agrees to cooperate in the transfer of any permits to the District or another governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement.

D. Nothing herein shall require the District to accept any Work Product and/or Improvements unless the District Engineer, in his or her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the Work Product and/or Improvements are as set forth in the Engineer's Report; (ii) the price for such Work Product and/or Improvements is equal to or less than each of (a) the cost actually paid to develop

and/or install the Work Product and/or Improvements by the Developer and (b) the reasonable fair market value of the Work Product and/or Improvements; (iii) as to Work Product, the Work Product is capable of being used for the purposes intended by the District, and, as to any Improvements, the Improvements were installed in accordance with their specifications, and are capable of performing the functions for which they were intended; and (iv) as to any Improvements, all known plans, permits and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities.

SECTION 4. ASSIGNMENT OF CONTRACTS. The District may accept the assignment of certain contracts. Such acceptance is predicated upon: (i) each contractor providing a bond in the form and manner required by Section 255.05, *Florida Statutes*, or the Developer providing adequate alternative security in compliance with Section 255.05, *Florida Statutes*, if required; and (ii) receipt by the District of a release from each general contractor acknowledging each assignment and the validity thereof, acknowledging the furnishing of the bond or other security required by Section 255.05, *Florida Statutes*, if any, and waiving any and all claims against the District arising as a result of or connected with such assignment. Until such time as the 2024 Project Bonds are actually issued, the Developer agrees to provide such funds as are needed by the District to make all payments for any such assigned contracts when and as needed by the District.

SECTION 5. CONVEYANCE OF REAL PROPERTY.

A. Conveyance. In the event that real property interests are to be conveyed by the Developer and acquired by the District in connection with the acquisition of the Improvements, and as mutually agreed upon by the District and the Developer, then in such event, the Developer agrees that it will convey to the District at or prior to the Acquisition Date by a special warranty deed, or non-exclusive easement, as reasonably acceptable to the District together with a metes and bounds or other legal description, the Real Property upon which the Improvements are constructed or which are necessary for the operation and maintenance of, and access to the Improvements. The Parties agree that in no event shall the purchase price for the Real Property exceed the lesser of the actual cost to the Developer or the value of an appraisal obtained by the District for this purpose. The Parties agree that the purchase price shall not include amounts attributable to the value of improvements on the Real Property and other improvements serving the Real Property that have been, or will be, funded by the District. The District may determine in its reasonable discretion that fee title is not necessary and in such cases shall accept such other interest in the lands upon which the Improvements are constructed as the District deems reasonably acceptable. Such special warranty deed or other instrument shall be subject to a reservation by Developer of its right and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the development) not inconsistent with the District's use, occupation or enjoyment thereof. The Developer shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the lands upon which the Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the lands upon which the Improvements

are constructed until such time as the Developer conveys said lands to the District. At the time of conveyance, the District may require, at Developer's expense, an owner's title insurance policy in a form satisfactory to the District. In the event the title search reveals exceptions to title which render title unmarketable or which, in the District's reasonable discretion, would materially interfere with the District's use of such lands, the District shall not be required to accept such conveyance of Real Property and/or any related Improvements or Work Product.

B. *Boundary or Other Adjustments.* Developer and the District agree that reasonable future boundary adjustments may be made as deemed necessary and approved by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Developer's ownership; provided, however, that such future boundary adjustments shall not affect the ability of the Developer to have the lots developed. The Parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs.

SECTION 6. TAXES, ASSESSMENTS, AND COSTS.

A. *Taxes and Assessments on Property Being Acquired.* The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to place in escrow with the Osceola County Tax Collector an amount equal to the current ad valorem taxes and non-ad valorem assessments prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.

1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.

2. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

B. *Notice.* The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes assessments or costs imposed on the property acquired by the District as described in Subsection A above. The Developer covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Developer fails to make timely payment of any such taxes or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to

reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

C. *Tax liability not created.* Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

SECTION 7. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS. The District and Developer hereby agree that an acquisition by the District may be completed prior to the District obtaining proceeds from the 2024 Project Bonds (“Prior Acquisitions”). The District agrees to pursue the issuance of the 2024 Project Bonds in good faith and, within thirty (30) days from the issuance of such 2024 Project Bonds, to make payment for any Prior Acquisitions completed pursuant to the terms of this Agreement; provided, however, that in the event Bond Counsel determines that any such Prior Acquisitions are not properly compensable for any reason, including, but not limited to, federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such Prior Acquisitions. Interest shall not accrue on the amounts owed for any Prior Acquisitions. In the event the District does not or cannot issue the 2024 Project Bonds within five (5) years from the date of this Agreement, and, thus does not make payment to the Developer for the Prior Acquisitions, the Parties agree that the District shall have no reimbursement obligation whatsoever. The Developer acknowledges that the District intends to convey some or all of the Improvements to the State of Florida and Osceola County and consents to the District’s conveyance of such improvements prior to payment for any Prior Acquisitions.

SECTION 8. DEFAULT. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance, but excluding special, consequential or punitive damages.

SECTION 9. INDEMNIFICATION. For all actions or activities which occur prior to the date of the acquisition of the relevant Real Property, Improvement or Work Product hereunder, the Developer agrees to indemnify and hold harmless the District and its officers, staff, agents and employees from any and all liability, claims, actions, suits or demands by any person, corporation or other entity for injuries, death, property damage or claims of any nature arising out of, or in connection with, the use by the Developer, its officers, agents, employees, invitees or affiliates, of the Real Property, Improvement, or Work Product, including litigation or any appellate proceedings with respect thereto, irrespective of the date of the initiation or notice of the claim, suit, etc.; provided, however, that the Developer shall not indemnify the District for a default by the District under this Agreement or the use of such Real Property, Improvement or Work Product by the District, its engineers, employees, contractors, or such persons’ or entities’ negligence.

SECTION 10. ENFORCEMENT OF AGREEMENT. In the event that any Party is required to

enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees, and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 11. ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of the agreement between the District and the Developer relating to the subject matter of this Agreement.

SECTION 12. AMENDMENTS. This Agreement shall constitute the entire agreement between the Parties regarding the subject matter hereof and may be modified in writing only by the mutual agreement of all Parties, and with regards to material amendments, with the prior written consent of the Trustee for the 2024 Project Bonds acting at the direction of the bondholders owning a majority of the aggregate principal amount of the 2024 Project Bonds then outstanding.

SECTION 13. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer. The District and the Developer have complied with all the requirements of law. The District and the Developer have full power and authority to comply with the terms and provisions of this Agreement.

SECTION 14. NOTICES. All notices, requests, consents and other communications under this Agreement ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the Parties, as follows:

Any Party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days written notice to the Parties and addressees set forth in this Agreement.

SECTION 15. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. All Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against any Party hereto.

SECTION 16. THIRD PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns. Notwithstanding the foregoing, nothing in this paragraph shall be construed as impairing or modifying the rights of any bondholders of 2024 Project Bonds issued by the District for the purpose of acquiring any Work Product, Improvements and/or Real Property. **DECLARATION OF CONSENT TO THE JURISDICTION OF
CROSSINGS COMMUNITY DEVELOPMENT DISTRICT
AND TO IMPOSITION OF 2024 SPECIAL ASSESSMENTS**

Clayton Properties Group, Inc., a Tennessee Corporation d/b/a Highland Homes (the “**Landowner**”), is the primary owner and/or developer of those lands described in **Exhibit A** attached hereto (the “**Property**”) located within the boundaries of Crossings Community Development District (the “**District**”). The Landowner, intending that it and its respective successors in interest and assigns shall be legally bound by this Declaration, hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, on and after January 11, 2022, a legally created, duly organized, and validly existing community development district under the provisions of the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the Board of County Commissioners for Osceola County, Florida (the “**County**”), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) County Ordinance 2022-04, effective as of January 11, 2022, was duly and properly adopted by the County in compliance with all applicable requirements of law; and (c) the members of the Board of Supervisors of the District were duly and properly designated pursuant to the Act to serve in their capacities, and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from January 11, 2022, to and including the date of this Declaration.

2. The Landowner understands and acknowledges that the District has adopted Resolution Nos. 2022-27, 2022-28, 2022-34, and 2024- (collectively, the “**Assessment Resolutions**”) that levied and imposed debt service special assessment liens on the Property (together, the “**2024 Assessments**”). Such 2024 Assessments are legal, valid and binding first liens upon the Property, coequal with the lien of all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, until paid. Landowner hereby agrees and acknowledges that the Assessment Resolutions provide that the lien for assessments remains inchoate until the District issues bonds and, without the need for further resolution, the lien attaches at the time of issuance of bonds, including the Series 2024 Bonds hereinafter defined.

3. The Landowner hereby expressly: (i) acknowledges, represents and agrees that the 2024 Assessments, the Assessment Resolutions, and the terms of the financing documents related to the District’s issuance of its \$14,000,000 Crossings Community Development District Special Assessment Bonds, Series 2024 (“**Series 2024 Bonds**”), or securing payment thereof (the “**Financing Documents**”), are, to the extent of the Landowner’s obligations thereunder and with respect thereto, valid and binding obligations enforceable in accordance with their terms; (ii) represents that the Landowner has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the 2024 Assessments and/or amounts due under the Financing Documents, and the Landowner expressly waives any such claims,

offsets, defenses or counterclaims; (iii) agrees that the Landowner hereby waives any and all rights, remedies, and other actions now or hereafter contemplated to contest, challenge, or otherwise dispute or objection to the Assessment Resolutions, the 2024 Assessments, the Financing Documents, and all proceedings undertaken by the District in connection therewith; (iv) agrees that the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Landowner's default and agrees that immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*; and (v) acknowledges that, to the extent the Landowner fails to timely pay any special assessments collected by mailed notice of the District, such unpaid special assessments and future special assessments may be placed on the tax roll by the District for collection by the Tax Collector pursuant to section 197.3632, *Florida Statutes*, in any subsequent year.

4. The Landowner hereby waives the right granted in Section 170.09, *Florida Statutes*, to prepay the 2024 Assessments within thirty (30) days after the improvements are completed, without interest, in consideration of, among other things, rights granted by the District to prepay the 2024 Assessments in full at any time, but with interest, under the circumstances set forth in the Assessment Resolutions.

5. This Declaration shall represent a lien of record for purposes of Florida law, including but not limited to Chapter 197, *Florida Statutes*, and Sections 197.552 and 197.573, *Florida Statutes*, among others. Other information regarding the 2024 Assessments is available from the District Manager, Jill Burns, c/o Governmental Management Services Central Florida, LLC, 219 E. Livingston Street, Orlando, FL 32801.

THE DECLARATIONS, ACKNOWLEDGEMENTS AND AGREEMENTS CONTAINED HEREIN SHALL RUN WITH THE LAND DESCRIBED IN EXHIBIT A HERETO AND SHALL BE BINDING ON THE LANDOWNERS AND ON ALL PERSONS (INCLUDING BUT NOT LIMITED TO INDIVIDUALS AS WELL AS CORPORATIONS, ASSOCIATIONS, TRUSTS, AND OTHER LEGAL ENTITIES) TAKING TITLE TO ALL OR ANY PART OF THE LAND, AND THEIR SUCCESSORS IN INTEREST, WHETHER OR NOT THE LAND IS PLATTED AT SUCH TIME. BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE DEEMED TO HAVE CONSENTED AND AGREED TO THE PROVISIONS OF THIS DECLARATION TO THE SAME EXTENT AS IF THEY HAD EXECUTED IT AND BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE ESTOPPED FROM CONTESTING, IN COURT OR OTHERWISE, THE VALIDITY, LEGALITY AND ENFORCEABILITY OF THIS DECLARATION.

SECTION IX

May 24, 2024

Crossings Community Development District
c/o Governmental Management Services LLC
219 East Livingston Street
Orlando, Florida 32801
Attn: Ms. Jill Burns

Re: Crossings CDD, Series 2024 Bonds

Dear Ms. Burns:

We are writing to provide you, as the Crossings Community Development District (the "Issuer"), with certain disclosures relating to the captioned bond issue (the "Bonds"), as required by the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the "Underwriter") and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the "Bonds"). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer's interest in this transaction.

The specific parameters under which FMS will underwrite the Bonds will be set forth in a Bond Resolution adopted by the Board.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

- The Underwriter's primary role is to purchase the Bonds in an arm's-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter's compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal,

accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.
